TEASE!

THIS · MONTH · IN · CLUB

I'm Panneka Arse, and welcome to *Challenge Panneka.* This week, I've come to the heart of Soho and as usual only the producer and his team of several hundred researchers have any idea what the challenge is going to be.

Oh, what's this? A scrawny man with a suitcase is handing me an envelope. How jolly! It says, "As Editor of Club International, I am taking a well earned break. Your challenge is to produce the next edition of Club in just 28 days Keep it horny!" Golly! Produce a bumper boob-filled mag in a month. Where do I begin?

27 days to go: I'd better make a list of things we'll need. Girls, sexy ones, we'll want about a dozen of those. Some disgusting confessions and rude letters. Gosh! What should I do? I'll ask his secretary how the Ed finds all these things. Oh apparently, he just goes down the pub and hopes something will turn up. I'd better get down there.

14 days to go: All thatsh turned up, hic, is a total of 270 pintsh of lager, 123 bags of crishps and an angry barman wondering when we're leaving.

10 days to go: Things are getting pretty tight. I've got everybody running round for me while I stand here wearing a crap jumpsuit. The researchers have found half a dozen photographers to take pictures of girls with no clothes on, so I'm going back to the pub.

5 days to go: Well, it's getting jolly exciting now. The pictures are back from the photographers and — phwooarr! — she's nice.

3 days to go: I've given the photos to the art department who are now going to condense what normally takes them weeks in just a few minutes. They are going to buy a round.

1 day to go: Nathaniel Fatbastard has finally brought in his copy, and now I'm off to the printers to patronise more people working their bollocks off so I can take the credit.

1 hour to go: And here's the very first Club off the presses. It's got lots of horny women including Kim doing something very saucy in the bath, lots of letters and confessions and an interview with *Bottom*-mad Rik Mayall. All we need is to print the other 200,000. But that's their job, I'm going down the pub again.

10 days after the deadline: Oh, it came out! Thash alright. Hic! Where's my fee? ♣

the girl you've asked to see

After making her impressive debut as our centrespread in Vol 20 No 10, 21-year sexy secretary Corinne from Bristol has sure caused a stir with readers far and wide.

Damian from Milton Keynes wrote: "If she was my secretary, I could think of a few things I'd rather she took down that just dictation... I might not get any work done but at least the view would be nicer." "Eleven out of ten!" screamed Peter, George, Michael and Harry from Glasgow.

Curvy Corinne couldn't believe the response from readers: "I'm absolutely thrilled," purred the blonde bombshell seductively. "I couldn't believe all the letters that I arrived for me after I appeared in Club, and I'm reading through every single one right now. It'll take me a while before I've read all of them— especially the really naughty ones — but as you've probably guessed, they're my favourite kind!" ♣

IN·THE·BAG

Simply The Best!

My wife, Elaine and I thought that Vol 20 No 10 was the best issue of Club ever — and it's all because of Ginny. Eight fantastic pages of her dressed as everything from a naughty nurse right through to a tantalising teacher — with lots more in between!

I came home after work one day to find Elaine lying on the couch with a copy of the magazine opened up at the pages of Ginny, while her hands were down teasing her pussy. I've never seen Elaine masturbating before, but when she showed me the pictures of Ginny, I could understand why!

I quickly bent down to Elaine's cunt and began to frantically tongue her wet snatch, then I mounted her, closed my eyes and well and truly fucked her. My wife's cunt felt wonderfully tight and it wasn't long before we orgasmed togther.

We have both found that since we've discovered your magazine, our sex life has just got better and better. Thanks a lot, Club! — *Tim, High Wycombe*

Dirty Downpour!

My wife and I recently moved into a new house, so I've been spending a lot of time off work redecorating the inside and doing a few home improvements. It was while doing this that I got a chance to see my new neighbours, and in particular, Michelle, the 21-year-old daughter of the people next door. She's tall, at least 5'9", with a stunning figure, good looks and long, blonde hair.

Last Tuesday, during a freak summer downpour, I'd been down at the cash and carry, and as I made my way up the path I noticed Michelle on her doorstep, frantically searching through her handbag and getting totally drenched. I asked her if I could help and Michelle explained that she'd locked herself out. I told her that I'd help her to get back in, and in the meantime I invited her in.

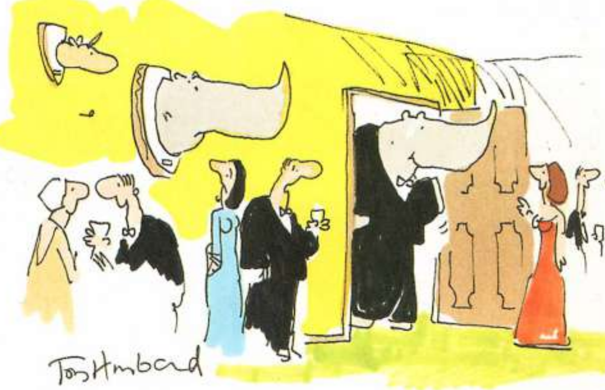
Once inside, Michelle asked if she could borrow a towel to dry herself off. I went upstairs to get one from the bathroom, only to find her following me. I handed the towel to Michelle, and she thanked me and walked into the bathroom towelling her hair vigorously, before shutting the door.

I walked into the bedroom and was in the middle of changing into a pair of jeans when the bathroom door opened. I looked up to see Michelle standing there naked, apart from a skimpy vest which barely covered her tits. She looked fantastic, her long, blonde hair sticking to her face and then she walked over towards me.

"I'm all wet," she purred, before pulling me towards her, and we kissed passionately. I slipped my hands under her vest and gently kneaded Michelle firm tits, while she pulled my jeans off and started to run her hand up and down my shaft. Michelle then pulled me onto the bed and I pulled her vest over her head. As I did so, my cock came level with Michelle's face and she greedily clamped her red lips around my length. At the same time she started fondling my balls and I pushed my cock further in her mouth. It was only a matter of minutes before I felt my climax growing, and I gripped onto Michelle's long hair and started to fuck her mouth. A second later my cock started twitching and I shot my load over her face.

Michelle then fell back on the bed and I leaned forward and kissed her, as I lowered myself on top of her and then guided my cock into her wet pussy. I pushed my cock in inch-by-inch, and Michelle moaned loudly as I began to screw her deeply. She then wrapped her long legs around my waist and I felt her pussy tighten on me as we fucked. Soon Michelle's quiet panting became a loud scream, as she arched her back and shuddered as I shot my load deep inside.

We spent the rest of that day screwing all over the house, and on one other occasion, but now Michelle has gone away to university, but here's one person who's looking forward to the day she comes back! — *Peter, North London*



Oh dear, this could be embarrassing

Dear Suzy,

After seeing your sexy pictures in Vol 20 No 10, I just had to write in and tell you the effect that your horny photographs had on me. You have to be one of the most beautiful women that I have ever seen.

The sight of your lovely brown hair, sparkling eyes and fabulous smile gave me an instant hard-on, but what really turned me on were your amazing nipples! I don't think that I've seen a pair so cute and munchable.

I'd love to spend hours licking and nibbling them, sucking each nipple into my mouth and gently chewing on it. Then you'd quickly climb on top of me and you'd lean forward so that I could hold your breasts in my hands and start to rub your heaving tits.

After that, I'd pull apart your pussy lips and push my cock deep inside you. You start screaming my name and then you grind down onto my cock, and as I push further into you, we both come together. How does that sound to you, Suzy?
— *Peter Southampton*

Well, Peter, what can I say? Except, of course, that your letter really turned me on! It's always nice to get letters like this — I reckon they're my favourite kind. So, you reckon my nipples are my best feature, do you? To be honest with you, when I first saw the pictures in Club, I couldn't believe my eyes — it just shows you how turned on I was ! — **Suzy** ♣

The Famous Five...

I just had to write in and tell you of an amazing experience that happened to me a couple of weeks ago. Sue, my girlfriend's best mate, was hosting a sex aid party at her house and had invited my girlfriend, Julie, to go along. I drove across to Sue's house to drop off Julie and there was already about six women there. After the predictable innuendoes and jokes about the husbands and boyfriends wanting to stay and watch the proceedings, I went for a pint with Sue's husband, Andy.

Pretty soon the conversation turned to the party, with each of us guessing what was bought, and describing the good fucking that our other halves would be getting later on that night. I knew Andy fancied Julie, I mean she's 21-years-old, blonde and leggy, whereas Sue is shorter, dark skinned with a lovely bum.

When we went to pick up the ladies, the party had broken up. However, the organiser was still there, sharing a bottle of wine with Sue and Julie. They were all a bit drunk, and Sue and Julie agreed to model their new outfits. Meanwhile, Andy and I got talking to Cathy, the hostess. God, she was sexy! She had big tits, a nice round bum that was accentuated by the tiny mini-skirt she was wearing. As she sat there her skirt began to ride up her thighs and we got an eyeful of her suspenders and stockings.

"I'd get your cocks out,

Brighton-born beauty Erika admits to being something of a flirt when it comes to men, and claims she has a foolproof method of attracting the opposite sex.

"I'd like to think that when I walk into a room all eyes are on me," laughs the naughty 19-year-old from Kent. "I've been

known to connect with just one glance across a crowded room

"If I see a likely looking fella, I'll flash my eyes at him, throw back my hair and then walk over and chat him up... it works every time!

"I'm really into bodily contact too," says Erika enthusiastically. "Men love being touched. That turns them on so much, there's no way that they can resist me!"

Who said anything about resisting, Erika? ♣

GOBBLE!

His other half may well have gone to ride the baloney pony with the Bionic Cock, but **Nathaniel Fatbastard** isn't going to let a mere woman get in the way of his favourite hobby — getting completely rat arsed; preferably at someone else's expense...

Whenever I feel like a jerk, I always take matters into my own hands at once. Since my wife Ninja abandoned me for Lee Rogers, the Six Million Donger Man, whilst we were on our honeymoon in Hollywood, I've found this the only way to keep my pecker up. As soon as I feel myself flagging, I pull a few strokes and soon I'm coming into my own again. Okay, Ninja's departure left me with a few moist handkerchiefs, but the time has come to dry those eyes, go out, face the world and get totally rat-arsed. Ideally at somebody else's expense.

So when a PR man from the makers of draught Puinness, Ireland's favourite creamy mouthful (£1.99 a pint), rang me up and asked if I'd attend his latest piss-up, I mean publicity stunt, I welcomed it with an open throat. Sales of the creamy stout have risen dramatically following their summer advertising campaign featuring a beautiful, buxom blonde girl whispering, "When it's hot, I love to get my lips around a long cool Puinness" with a caption under her saying simply, "Goes down great". So the boys from the black stuff decided to sponsor a contest to find a pub that actually sells food that can be eaten with the alcoholic treacle without them both making a quicker comeback than Nigel Mansell after his retirement. Pubs from all over the United Kingdom had entered, and I was picked as one of the celebrity judges.

It was held at the HQ of *Spent Housekeeping* magazine (£1.99) in a room with eight different mini-kitchens used for their cookery competitions. It was like working in the Hygena section of MFI. I soon spotted what I'd come for. In one corner was a stand dispensing free draught Puinness. It was 10am, and having not had any breakfast to make room for the mountain of free pub grub that was to come, I was drier than a dead dingo's donger.

"My name's Nathaniel Fatbastard," I announced to the man behind the bar wearing a red waistcoat and matching acne. "And I'm desperate for a Puinness."

"Oooh, aren't we all!" he trilled. "Nathaniel Fatbastard, you say, and what is your official capacity?"

"Oh, about twelve pints, and then I begin to puke," I replied, wittily

He looked down his list and his nose simultaneously.

"Oh, I've got you. You're one of the judges. The others are over there."

The chairman of the judging panel was none other than Chris Belly of BBC's *Overeat and Drink* programme. Usually seen with an old sweater — fat perspiring chef Michael Grunt — Belly was dressed in an expensive BBC-financed suit (£590) by Armani, out of our money. With him were the other judges, all sipping orange juice — boring bastards. Next to me was Nigel, a John Major clone, from the publican's trade newspaper *The Belligerent Bastard*, then came a gargantuan woman in an outsize designer suit — a real case of glutton dressed as lamb — from *What Crisp* magazine, and finally Jenni the cookery and nice icing correspondent of *Woman's Role*, a weekly collection of knitting patterns and dated stereotypes.

"Are we all here? Right then, let's get on with it," said Belly, the only one of us who clearly had somewhere better to go in the afternoon. "Here's a list of all the entrants and their dishes. They'll be ready in ten minutes. Taste each one, and then come back here. Okay?"

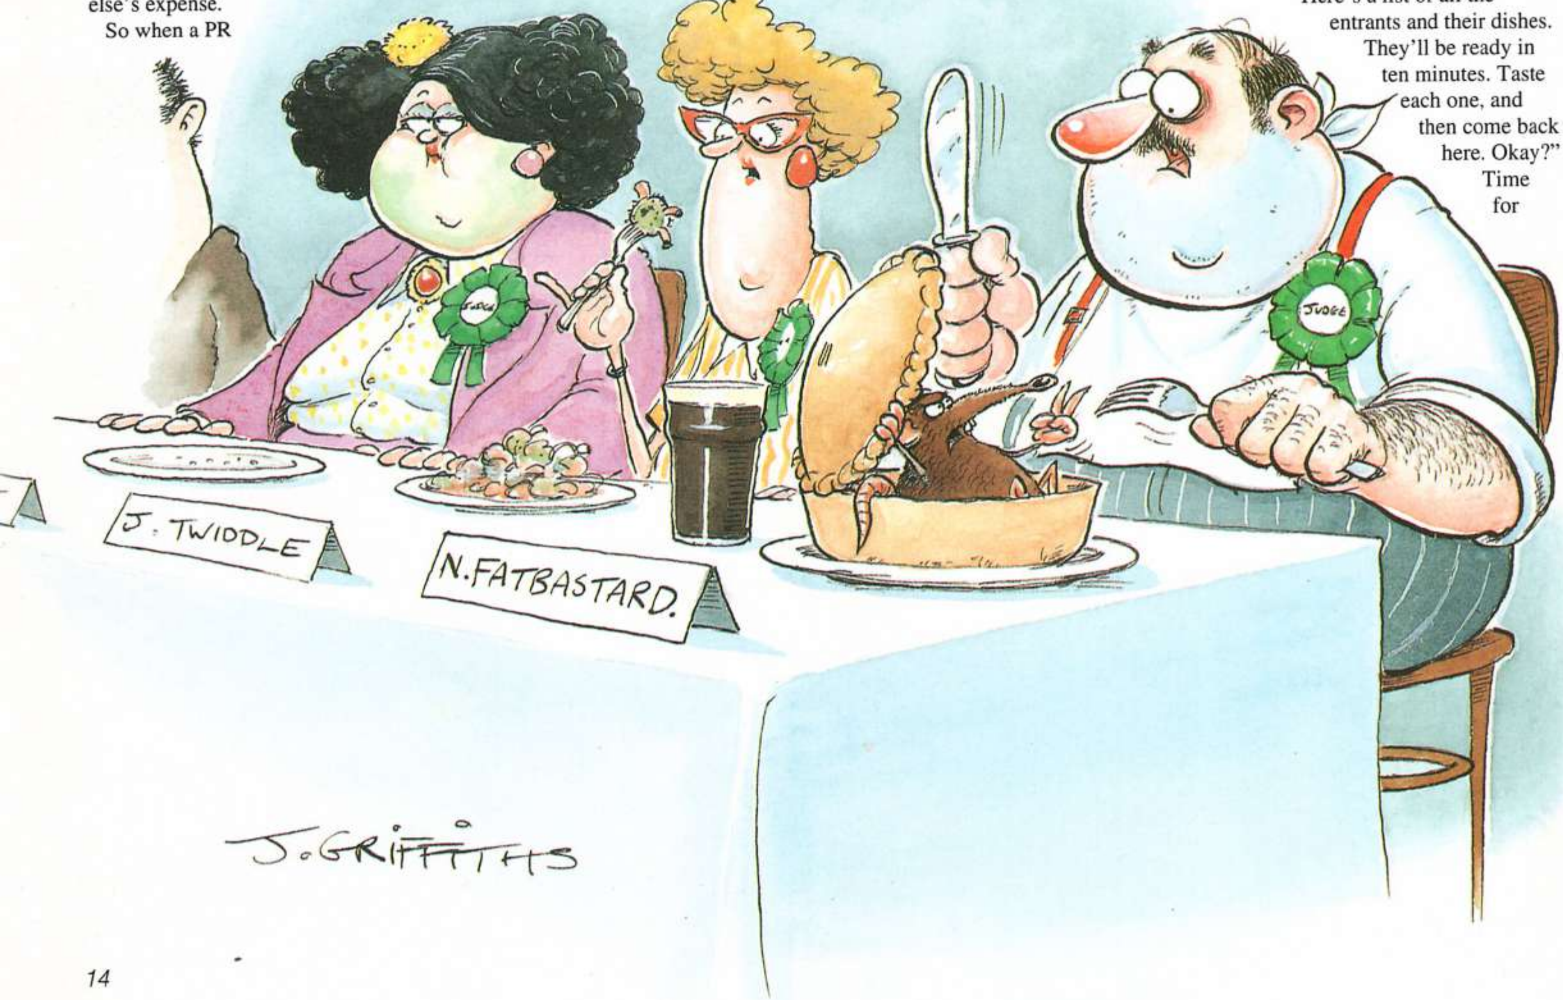
No 2: Willie Rushton

That was the geek that was! Back in the early sixties, lovable, cuddly Willie Rushton was a slick satirist with oily hair on David Frost's TW3. Teaming this with a pair of cheap glasses, Rushton made a spectacle of himself as his greasy mop flopped over his eyes. One other big difference — beardy-weirdy Willy used to leave his chubby cheeks and several chins bare to all the world rather than

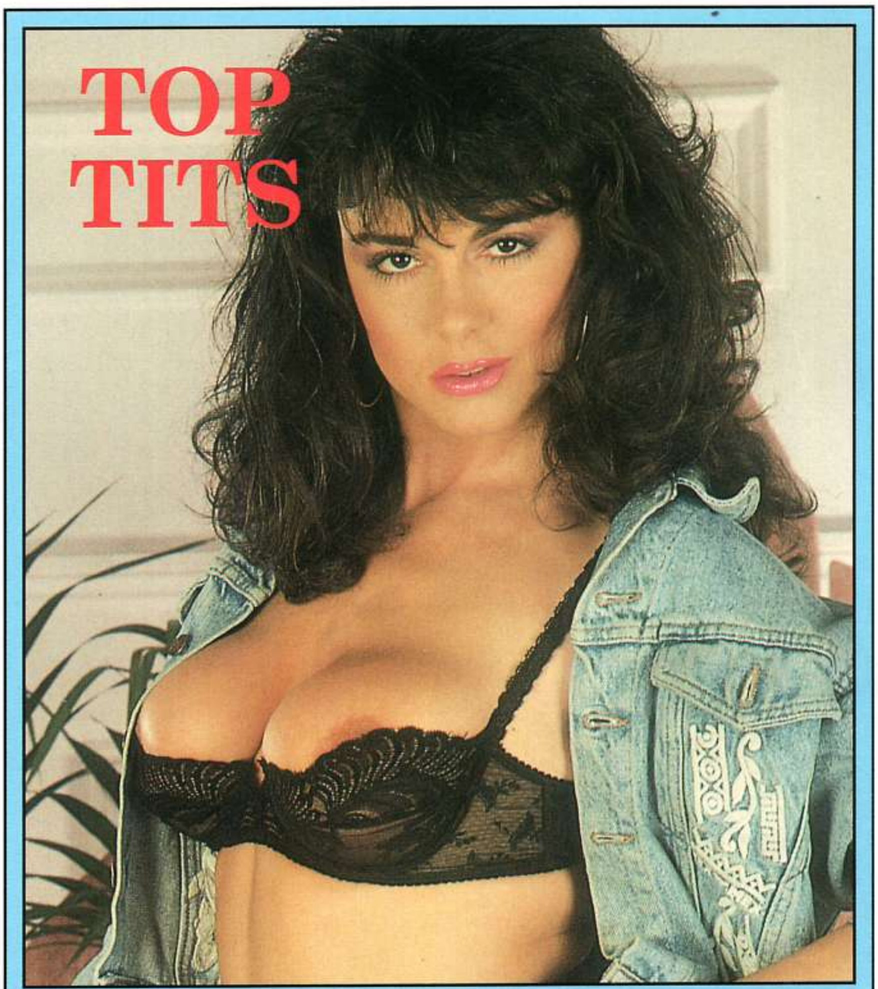


Hairstyles of the Rich and Famous

secreting them under stubble. The face fungus was a wise move, as you can definitely see!

Fortunately by the time Willie became a big star on Bob Monkhouse's *Celebrity Squares*, he'd found a solution to having hair that looked like a polluted seabird. He went bald. ♣

TOP TITS



This month the men on board the *Tits on Tour* jug-gernaut have been shooting their load across Europe to reach the Greek Islands. We had one aim in mind — to rediscover the legendary twin islands of Normos Nokos.

Bare and brown, and each topped by a tiny turret, they were one of the most spectacular sights as they jutted out of the Med. The Ancient Greeks hid amongst the sandy mounds when the Trojans threatened to invade, burying themselves almost completely. In fact, these days, historians believe that the Trojans were never going to invade, the Greeks just did it 'cos it was fun. Everyone in the years BC wanted to play on Normos Nokos

Then gradually, the Normas Norkos disappeared. They sank slowly, presumably through age, and became just a memory amongst randy Greeks. But me and my team of nawkiologists are determined to unearth them. Our journey to the Lost Islands is now a major motion picture starring Doug McClure as Prof Breast; the good-looking one in *The Onedin Line* as his young(ish) assistant and a baffled terrapin with spikes stuck on it as a prehistoric monster. See *The Land That Bras Forgot* at a cinema near you soon. (Certificate: 18). Meanwhile, here's another really nice picture of some tits — *George Breast* ♣

another pint before stuffing myself with overpriced bar snacks.

The first one I came to was *The Olde Cunt*, a dry stone pub in the village of Overwaite (pronounced Owt) on the Yorkshire Moors. Two bald sweating men, purple all the way to their comb-over hairstyles were doing a Venison Casserole (£5.50 a portion). I asked if the ingredients were local.

"Too fooking right," said a Tweedle-dumb as blunt as a post office pencil. "I ran the bastard over in me Land Rover last night."

I stuffed several forkfuls in my gob. The braised Bambi wasn't all that bad, but the black beans tasted a bit like tarmac. Then I realised that they were.

Next came *The Cor Blimey*, a pub in the heart of the City run by a man with all the characteristics of Keith Floyd but none of the charm. He was busy recreating traditional cockney dishes for his merchant bankers with what he described as "a soupcon of sophistication". His dishes included grouse bangers with a garlic mash (£9.50), medallions de jellied eels (£7.50), and whelks en crout (£11.99 or 10 Rio Tinto shares) with a Spode mug of Lapsong Souchong Rosie-Lee (£1.50). I tucked into them all greedily.

"The sausages are home made," boasted the lank-haired yuppy. Indeed the bangers had all the hallmarks of being prepared by hand. They tasted like inner tubes stuffed with shit.

I needed a swift pint after that before going on to the *Quiche & Ploughman's*, a car park with pub attached somewhere near Leicester.

"We're very proud of our cuisine, me duck," said the landlady pointing me at a seafood platter of rather embittered crustaceans (£12.50 a portion). "Ever since we got rid of the darts and the dominoes, chucked out all the regulars, took over the old people's home next door, knocked through, turned it into a restaurant, and made the bar staff wear smart polyester uniforms, refused to serve anyone in chainstore jeans with a cardboard belt or beer, and started getting a reputation with good food and a drink for under £30 a portion, we've done really well. Of course, there was a little local opposition at first..." she added, showing the scars in her wrists where the nails had gone through.

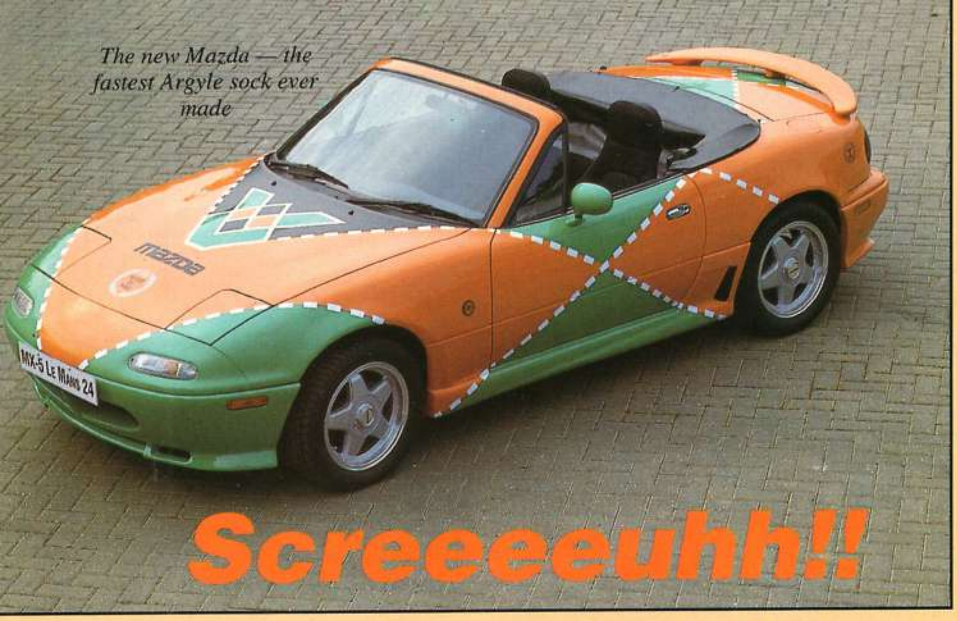
Although I'm allergic to seafood, I managed to stuff four king prawns, a handful of mussels and huge slab of salmon into my mouth. Not surprisingly, it was as bland as the pub sounded, so after yet another pint of Puinness I made my way to the very last finalist, *The Quainte Inne* (No Coaches) from Great Wallope-on-the-Arse in Devon. Their gimmick was making pies to recipes from the area dating all the way back to the 1660s. Amongst the tasty fillings on offer were roast chicken and scabies with running sore sauce, suspected village witch with rickets, and locally caught rat with bubonic plague gravy. I tried all of the dishes before the fat-arsed cow from *What Crisp* did. Time for another pint before deliberating with my fellow judges.

After easing out a much needed fart, I sat down in our small room for the lengthy discussions on the carefully prepared food. Mr Belly was the first to speak. Wiping dead deer from his chin, he gave us his considered view.

"Fuck it, let's just say it's the disease-ridden pies. Anyone disagree with me? No. Good. Must dash, I'm doing a voice-over for a corporate video at three o'clock. Have to be on time, it's my own production company, you see."

So being the only other famous person there, it fell to me to present the winning trophy to the beautiful buxom barmaid from Great Wallope-on-the Arse in Devon. After plying her with yet more free booze, the grateful victor was soon copping a mouthful of my very own draught Puinness, hand-pumped from two of the two biggest barrels in Lewisham, before joining me for a real firkin back at my place.

There's no doubt that the only way to get over marital problems is to plough yourself into your work. ♣



The new Mazda — the fastest Argyle sock ever made

Screeeeuhh!!

Fast socks, cheesy cars and the return of the plastic pig... has Club's motoring correspondent, **Horst Pipe** finally driven himself round the bend?

To celebrate their recent victory earlier this year at Le Mans, Mazda has the dubious honour of being the first major motor manufacturer to launch its own exclusive, limited edition sock. Believed to be the fastest Argyle socks ever made, each one is finished in Mazda's strikingly horrible green and orange racing livery and costs £20,445 — or nearly £41,000 a pair. Thankfully, only 24 of the turbocharged hot-socks are to be built, one for each hour of the famous race.

Not that Mazda need worry. All 24 sold out within hours of their unveiling, and now the company's stunning new MX-3 coupé looks set to repeat the trick. In fact, it's been a very good month for the Japs. Derek Warwick, who knows a thing or two about fast cars, took Japan's finest to the Castle Combe circuit and pitched them against Europe's. The results speak for themselves: Top Three — Honda NSX, Mazda MX-5 and the Nissan Gti-R. And as for Europe? Nowhere, of course. "I wish racing cars handled like this," Del Boy told *AutoCar*, after getting out of the Honda. "Against this, the Porsche Carrera looks inept, and the things which make Ferrari desirable are fast becoming ephemeral and peripheral." It gets worse too, with Warwick going on to say that the Gti-R — a souped-up bloody Nissan for goodness sake — "sets new standards for four wheel drive cars". And, of course, it's half the price of a Quattro.

Still with matters European, whilst it's true that these days, Spain's contribution to automative excellence is right up there with Gautemala's, it wasn't always that way — anyone remember the Pegaso? With its exquisite engine and handbuilt bodies, the Pegaso was an automative extravaganza par excellence, and in the mid-1950s, the marque actually threatened to out-Ferrari Ferrari in the chic stakes. Sadly, the success was short-lived, fewer than 130 were built, each one at a loss. Now, 40 years later, the rarest Pegaso of them all — the Z-103 — is going back into production. Recreating the 1950s feel, the new car is authentic in every detail — right down to the price: each one will retail at £100,000. So, is Spain set to become the home of the supercar? Well, no. These days Pegaso is jointly owned by Yanks (Ford) and the Italians (Fiat); the car's suspension and gearbox are Italian (Alfa); and the engine is true Brit — a 3.9litre Land Rover V8. Oh yes, and they're not building it in the sierras, but in Sussex — Worthing, since you ask.

New out this month is **Coming Lars**, the non-awaited autobiography of Lars Borring. During a career which spanned three decades, Borring quickly gained a reputation as Norway's greatest ever racing driver. This lavishly illustrated book tells his story from his early days as an unsuccessful Formula Three driver right up to the heady days of 1987 when he finally hit the big time — Formula One. Sadly, he was only ever a reserve driver for one of the teams, and had an uncanny knack of breaking down in the first lap. The book? Needless to say, it's crap.

And as if that wasn't bad enough, there's worse to come — the plastic pig is back. Just when you thought it was safe to go back on the roads, someone called Lou O'Toole has rescued Reliant from receivership and plans to put the three-wheeled wonder back into fullscale production... ♣

boys," she said, "because the girls look so sexy, I could fuck them myself!" I could hardly believe what Cathy had said, and when she hitched her skirt up around her waist, my cock almost exploded on the spot! Cathy then pulled her black g-string to one side and began to run a finger along her smooth fanny slit. "Mmm, that's good, I can get very horny after one of these sessions."

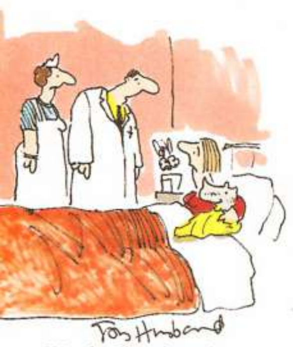
At that moment Sue and Julie walked in and didn't bat an eyelid — I had a feeling that this had been planned!

Julie looked gorgeous in a black basque, laced at the front with a pair of skimpy knickers and stockings on. Sue was acting the innocent virgin in white high heels and a mini-dress that barely covered her arse. Without saying a word, they walked over to us, stripped us of our jeans and T-shirts, leaving us naked with our cocks standing proud in the air.

My cock hungry girlfriend seemed particularly impressed with Andy's cock and she knelt down in front of him, before taking his knob deep into her mouth.

However it was Cathy who dominated the proceedings, kneeling on all fours and reaching back to finger her wet cunt. "C'mon lads," she said. "I need it now! One in my mouth and one up my cunt!" I didn't need asking twice and I offered my hard length to her mouth. She slowly licked up my shaft,

WHERE ARE THEY NOW?



We think we've given you the wrong baby Mrs Calhilll

before sucking me into her mouth. Meanwhile, Andy was up to the hilt, his hands on Cathy's arse as he started to slowly fuck her.

Not to be left out, Julie and Sue started rolling around on the sofa, rubbing their tits together and fingering each other's juicy twat.

I could feel the spunk building inside my balls, and holding the back of Cathy's head, I began to fuck her mouth, using it like a cunt. Suddenly I exploded, shooting streams of sticky spunk down her throat.

Then Cathy started

Dear Club,

Can you tell me whatever happened to Fred the Bros-loving dog featured as one of the Ed's pets back in Vol 19 No 6? He was such a lovable little fella. If the Ed doesn't want him, we could certainly give him a good home.

***Trev says:** Fred's repeated humming of 'When will I be famous?' in the Club offices proved so irritating that Deputy Editor Rob 'Psycho' Swift took him for a one-way walk. He threw him in the Regents Canal.*

Fortunately, Fred was prepared for such an eventuality, and with deft paws, he got out the sub aqua gear from his collar and swam to safety, climbing out of the canal near Paddington. Julia

You wouldn't believe how fickle Liverpool lass Julia can be.

"I've had eight jobs since I've left college," Julia tells us. "But I never seem to be able to keep my mind on the job for very long and I'm usually shown the door after a month. I'm always day dreaming about being whisked off my feet

by some hunky bloke with a big packet."

What, pay packet — or the other — we asked.

"Why, both, of course!" laughs Julia. "The only job I ever enjoyed was working beneath a handsome advertising manager. Sadly,

his girlfriend wasn't too keen on the idea, so bang went that job.

"Mind you, I reckon I've found my niche working as a model for Club," gushes Julia. "Where else can I take my clothes off and day dream until my hearts content? Besides, as my last boss said, a body like mine shouldn't really be covered up under a stuffy business suit now, should it?"

Well, you certainly won't hear us complaining! ♣

Not content with being the undisputed king of bottom banter and all round gawky showbiz b'stard, Rik Mayall has become a film star. Club correspondent **Axl Kravitz** swaps rude rodent stories with the not-so-young comedian who made Tampax trendy and hippies run for cover...

"I still pick my nose," declares Rik Mayall, when asked what habits he finds hard to give up. Despite his newly acquired film star status (with the release of *Drop Dead Fred*), Mayall has retained his earthy, British, erm... childish sense of humour which made him such a famous face in the first place.

Talking at a West End hotel, he told Club: "It was never an ambition of mine to work in America. It just happened. I've done stand-up comedy and I've done serious theatre. I like to explore. I enjoyed filming in the States, but I never wanted to go over and crack America."

Filming took place in Minneapolis, an area Rik fell in love with. "There's beautiful sky and oxygen, and everyone was like 'Hi, there! How are you doing?', and then you wake up and you feel that it's great to be alive. Then one day you wake up in London, and you think, 'Fuck, I'm still alive!'"

One of his co-stars was Carrie Fisher. Did Rik glean any Hollywood-type gossip from her? "She told me some rude stories involving gerbils and a couple of Hollywood stars, but it's nothing I'd be prepared to repeat."

Which is a surprise really, as it seems Rik rarely misses the chance to shock, even if it is just the odd rude word.

He was a handful as a child and admits that getting into drama stopped him going off the rails. "I was quite hyperactive. I spent most of my life trying to clamp that energy down and I finally channelled it into performing and showing off instead."

A bright child he passed his 11 plus a year early and suddenly found himself in a grammar school, where being a year younger, he found the competition heavy going.

"I didn't excel at sport or anything academic, and I couldn't excel at shagging, because everyone else had all the pubes and I didn't."

When he finally got into shagging, it nearly turned out to be his undoing. He was so busy boffing his girlfriend at exam time that he messed up his A levels and only scraped into Manchester University at the last minute. There he found himself messing around with the likes of Ade Edmondson, whom he

idolises. "Ade is the funniest bloke I know. He always manages to make me laugh."

Ben Elton was a couple of years below them and at first they didn't get on. "Ade used to take the piss out of him and chase him down the corridor." Then they realised Ben's comic talent and pooled their talents with Rik's then girlfriend, Lise Meyer, to form *20th Century Coyote* and set about putting on comedies on the local pub circuit.

"Once we wanted to do a play called *God's Bollocks*. We wanted to get these two big, pink sleeping bags and suspend them from the ceiling with me and Ade inside. The idea was that God's right bollock would talk to God's left bollock. Unfortunately we found that we'd probably kill ourselves, because they wouldn't hold our weight."

The play was scrapped, but Rik, Ade and Ben went on to perform other off-the-wall comedy items. When they left university they headed for London, but not before Rik spent six months paying off his student overdraft. The money situation didn't get any better when they arrived in the capital.

"I was a stand up comic — homeless, and so broke that I had to get off with birds to get a bed for the night," remembers Rik.

Gradually they built up a reputation as Alternative Comedians which eventually persuaded the BBC to let them have their own show — *The Young Ones*.

By this time Rik's then girlfriend, Lise Meyer, was also writing with them. "She was brilliant," he recalls. "Particularly at all the rude bits in the show. Lise was the one who thought up the *Tampax* scene at the party episode in the first series. That still makes me laugh."

So what else makes Rik Mayall laugh?

"This bloke once ran round Birmingham impersonating me and running up bills in restaurants using my name." Rik thinks that's funny. "He still hasn't been brought to justice," he laughs.

And, apart from Ade, who are his comic heroes?

"Apart from Ade, Tommy Cooper is my hero. I like Les Dawson, but I don't think he likes me. I think he sees me as a young upstart. But I'm sure when I'm old and some little bastard comes along with a brighter brain than me, then I'd hate him too." ♣

ARSE FROM THE PAST

Great Moments in Bum History No 1: The Creation

For it is written that God created the earth in six days. But what the Old Testament doesn't record is what happened at about 4.30pm on day five. This was when God invented bottoms.

God had already come up with the idea of giving the guy a willy and the girl a gash, so that they could be stacked up without falling down, and was now adding a bouncy bit in the front of the girl to stop his new products getting damaged in transit. This gave the girl a curvier look, but the view from the back was still flat with just a small exhaust pipe for getting rid of waste products.

Then, looking at some of his better designs to date, like the Alps, God thought it would be nice to give the girl something similar. So he added two smooth hillocks at the back.

The twin hills or bum, as God had decided to call it, was an instant success. Adam's dick rose the moment he saw them. "Phrwoarr, that bit at the back's just great!" he said. "Why haven't I got one?"

God tried to explain.

"Now look here, God," said Adam. "I don't want to annoy you, but that bum-thing is wonderful. If you don't give me one as well, I'm gonna stop believing in you?"

God sighed. "Okay then," he replied, but God wasn't stupid. He knew that Adam would never be able to see his own arsehole, so as a joke, he made Adam's bum very hairy and spotty.

From that day on, God created millions of arseholes in different shapes, sizes and colours most of whom live in Yorkshire. Unfortunately God forgot to invent the patent system first — otherwise he'd still be around today! ♣

SHE'LL MAKE YOUR DREAMS COME TRUE!

"Hi there, guys! It's Kim here again, ready to fulfil all your naughty fantasies. But first of all, I've got to say a big thank you to everyone who wrote in after I appeared in Club last month. Your letters were really nice... and a little bit naughty too — just like me!

You came up with so many suggestions, that I had a hard job choosing the best one, but I decided it would be really

nice for you to join me a quick dip in the bath!

I begin to run the bath, making sure that I put in plenty of bubble bath, then I get myself ready. I slip out of my skimpy dress and then gently lower myself into the hot water. Mmm, all those little bubbles swirling around the inside of my thighs feel absolutely incredible. I'm going further in now... oh yes, that feels really nice as I can feel the water rising over my tummy button!

I've got a sponge and some soap now, and I'm beginning to rub the suds onto my skin. It feels really soft and silky... and a little bit sexy too!

Mmm, I never knew that bath-time could be so much fun! Thanks a lot guys, for sending in your naughty suggestions. I'll be back next month, so why not write into me. You never know — it could be your fantasy next time around! ♣

If you want Kim to fulfil your fantasy, then write to her at: Club International, 2 Archer Street, London W1V 7HE. She'll do what you ask!

letters to KIM

Dear Kim,

I've been dreaming about seeing a girl like you for ages, and when I opened up Vol 20 No 11 to be greeted by the sight of you as the new Club girl, I was speechless. By the look on your face, I could tell that you must've been feeling very randy!

My own fantasy about you involves dressing in something very sexy — let me tell you all about it...

I work as an advertising executive for a City firm. My secretary has phoned in sick for the day, so I arrange for a temp to come in. Imagine my delight when you walk into my office wearing a tight-fitting business suit!

You take out your notepad, and I start to dictate a letter. But to be honest, Kim, I'd rather than you were taking something else down...

I can't take my eyes off you as you sit there, crossing and uncrossing your legs, which are slightly apart so that I can see you're not wearing any panties under your skirt! You realise that I'm gazing at your crotch, and your hand starts to slowly work its way down between your thighs. You then ease your legs apart and rub your pussy mound.

My cock is straining inside my trousers now, and you quickly drop to your knees in front of me, pull down my zip and release my length. You know just what to do, and ten minutes of heaven follow! After that, it's my turn to make your fantasy come true — and I bet it's as randy as mine! — *Alec, Kent*

Your naughty fantasy really turned me on, Alec! But you missed out on the best part... that bit where I lean over the desk, and you start to do very naughty things to me from behind, you know? I bet you've thought about that part but were too shy to mention it. Well now I've mentioned it for you – but it's up to you to go into more detail in your next letter...

Dear Kim,

My name's Letitia and I'm one of Club's lesbian readers. I reckon that I've had my fair share of good looking women, but you beat them all! I love petite women like you, mainly because I'm like that myself. I'm only 5' 2", but I've big boobs and shoulder length black hair.

I can just imagine dancing in a club and seeing you on the dancefloor. I'd work my way to where you are, and then I'd sneak up behind you and wrap my hands around your waist. You turn around, and a smile spreads across your face as you see my 36Ds under my top. You take my hand and as we dance your hands work their way under my top and you start to slowly circle your fingers around my swollen nipples. My pussy is so wet now, that I desperately want to feel your tongue inside me.

I take your hand and we both go into the ladies toilets and find an empty cubicle. It's pretty cramped, but I manage to sit down and spread my legs, while you kiss your way up the inside of my thighs... I'm dripping wet for you and I know what's coming next...

I can feel myself shaking like a leaf as I write this. Tell me if you've ever had any lesbian thoughts, or better still, lesbian experiences. There are thousands of us out here who need to know! — *Wendy, Berkhamstead*

I have to confess, Wendy, that I've never been with another woman — but I'm pretty broadminded, and you never know what might happen! They do say that lesbians are best at oral sex... I suppose you'd know whether that's true or not, Wendy! ♣

COCKTAILS FOR TWATS

Hell Raiser
Forbidden Lust
Pearl Necklace
Purple Passion
Yellow Fever
Blue Dream
Testi Coolz

What's long and thin with a rounded end and tastes like shite? Answer: one of the new *Testi-Coolz* range of cocktails. The six new drinks come in plastic test-tubes, not because they are still at the planning stage (in which case we'd suggest changing them), but because it's a marketable gimmick. You're supposed to keep them in your top pocket when bopping, going for a piss or throwing up, which is quite likely as the drinks are as small and sickly as a humming bird's arsehole.

Of the six, the red one *(Hell Raiser)* and the blue *(Blue Dream)* are particularly disgusting. *Purple Passion*, *Yellow Fever* and *Forbidden Lust* (the green one) are tolerable after 20 pints and the clear one *(Pearl Necklace)* is almost drinkable. But at around £3 a time, you'd be better off with the club's watered down lager. ♣

screaming loudly at Andy. "Fuck me harder! Fuck my cunt, I want your spunk inside me!" Well, how could he refuse? He started pushing harder, his balls slapping against Cathy's arse, until his body jerked and he quickly pulled out and shot his load over her bum. Julie quickly bent down, licking up the fresh spunk from Cathy's bum, before inserting her tongue into Cathy's cunt.

After a short rest the action begun again, Sue licking me back to hardness, while Julie did the same for Andy. The three girls then lined up on their hands and knees, and we took turns fucking each splayed cunt.

Not surprisingly, Andy and I didn't last long. I shot my load off up Sue, while Andy filled Julie with hot spunk. Not to left out, Cathy pulled out a dildo from her large selection and took turns to wank off Sue and Julie, pushing it right inside their tight cunts. The night ended with the five of us promising to organise another for next month — I can't wait! — *Steve, Hertford*

Dirty Difference

My girlfriend and I have a very adventurous sex life, and she's always suggesting new positions for us to try. She came up with such an amazing one the other night that I thought I should share it with your readers!

Carole and I were fucking doggie-style — her favourite. She got down onto her elbows so she could push back against me a bit harder. Then she slid down so she was lying flat on her front, and got me to lie down on top

TAPED!

The Lovers' Guide *promises to be the hottest video release since* The Towering Inferno. ***Allan Bryce*** *tells us why it's likely to give Mary Whitehouse a heart attack...*

Regular purchasers of adult videos will know that most of the 18-rated material available in the UK shops are about as hard as *The Sun* crossword, because our friendly censor has certain strict guidelines which can't be crossed if the makers of sexy movies want that little red sticker plastered on their product. These include no displays of female genitalia; no erect male genitalia and no scenes of actual penetration. In fact, even a mild sex scene that doesn't show any of the above may still be trimmed down if it goes on for too long.

But this month the goalposts have been moved dramatically with the release of **The Lovers' Guide**, which is quite easily the most explicit title *ever* released in the United Kingdom. Written and presented by pyscho-sexual counsellor, Dr Andrew Stanway, this little corker has already been the subject of a *News of the World* expose, due to the fact that most of the so-called 'everyday couples' featured in the video aren't as innocent as the good doctor first thought. The six couples featured are very attractive — no spotty bottoms in sight here — and perform a wide variety of sexual acts, all with full blessing of the BBFC.

So why does this sort of thing go on sale in WH Smiths, while other less salubrious titles are consigned to the dusty top shelf of a Soho sex shop? Well, this is educational, innit? The makers of the tape have been allowed to get away with so much because right from the word 'go' they consulted with the BBFC as to what they would and would not be allowed to show on screen. So, out goes onscreen ejaculations and unnatural sex, but with a guided tour of the female genitalia and mutual masturbation here, you don't have too much cause for complaint.

"It shows normal human sexuality," says Dr Stanway, "which is acceptable to the vast section of the population." Well said, Dr Stanway! For too long, people in this country have thought that the word 'erection' is just a term used by the building trade. With 1992 just around the corner, wouldn't it be nice to think that we could adopt the same grown up approach to this sort of material as our continental neighbours have? But somehow I think *The Lovers' Guide* is going to be a temporary aberration, so grab it while you can. ♣

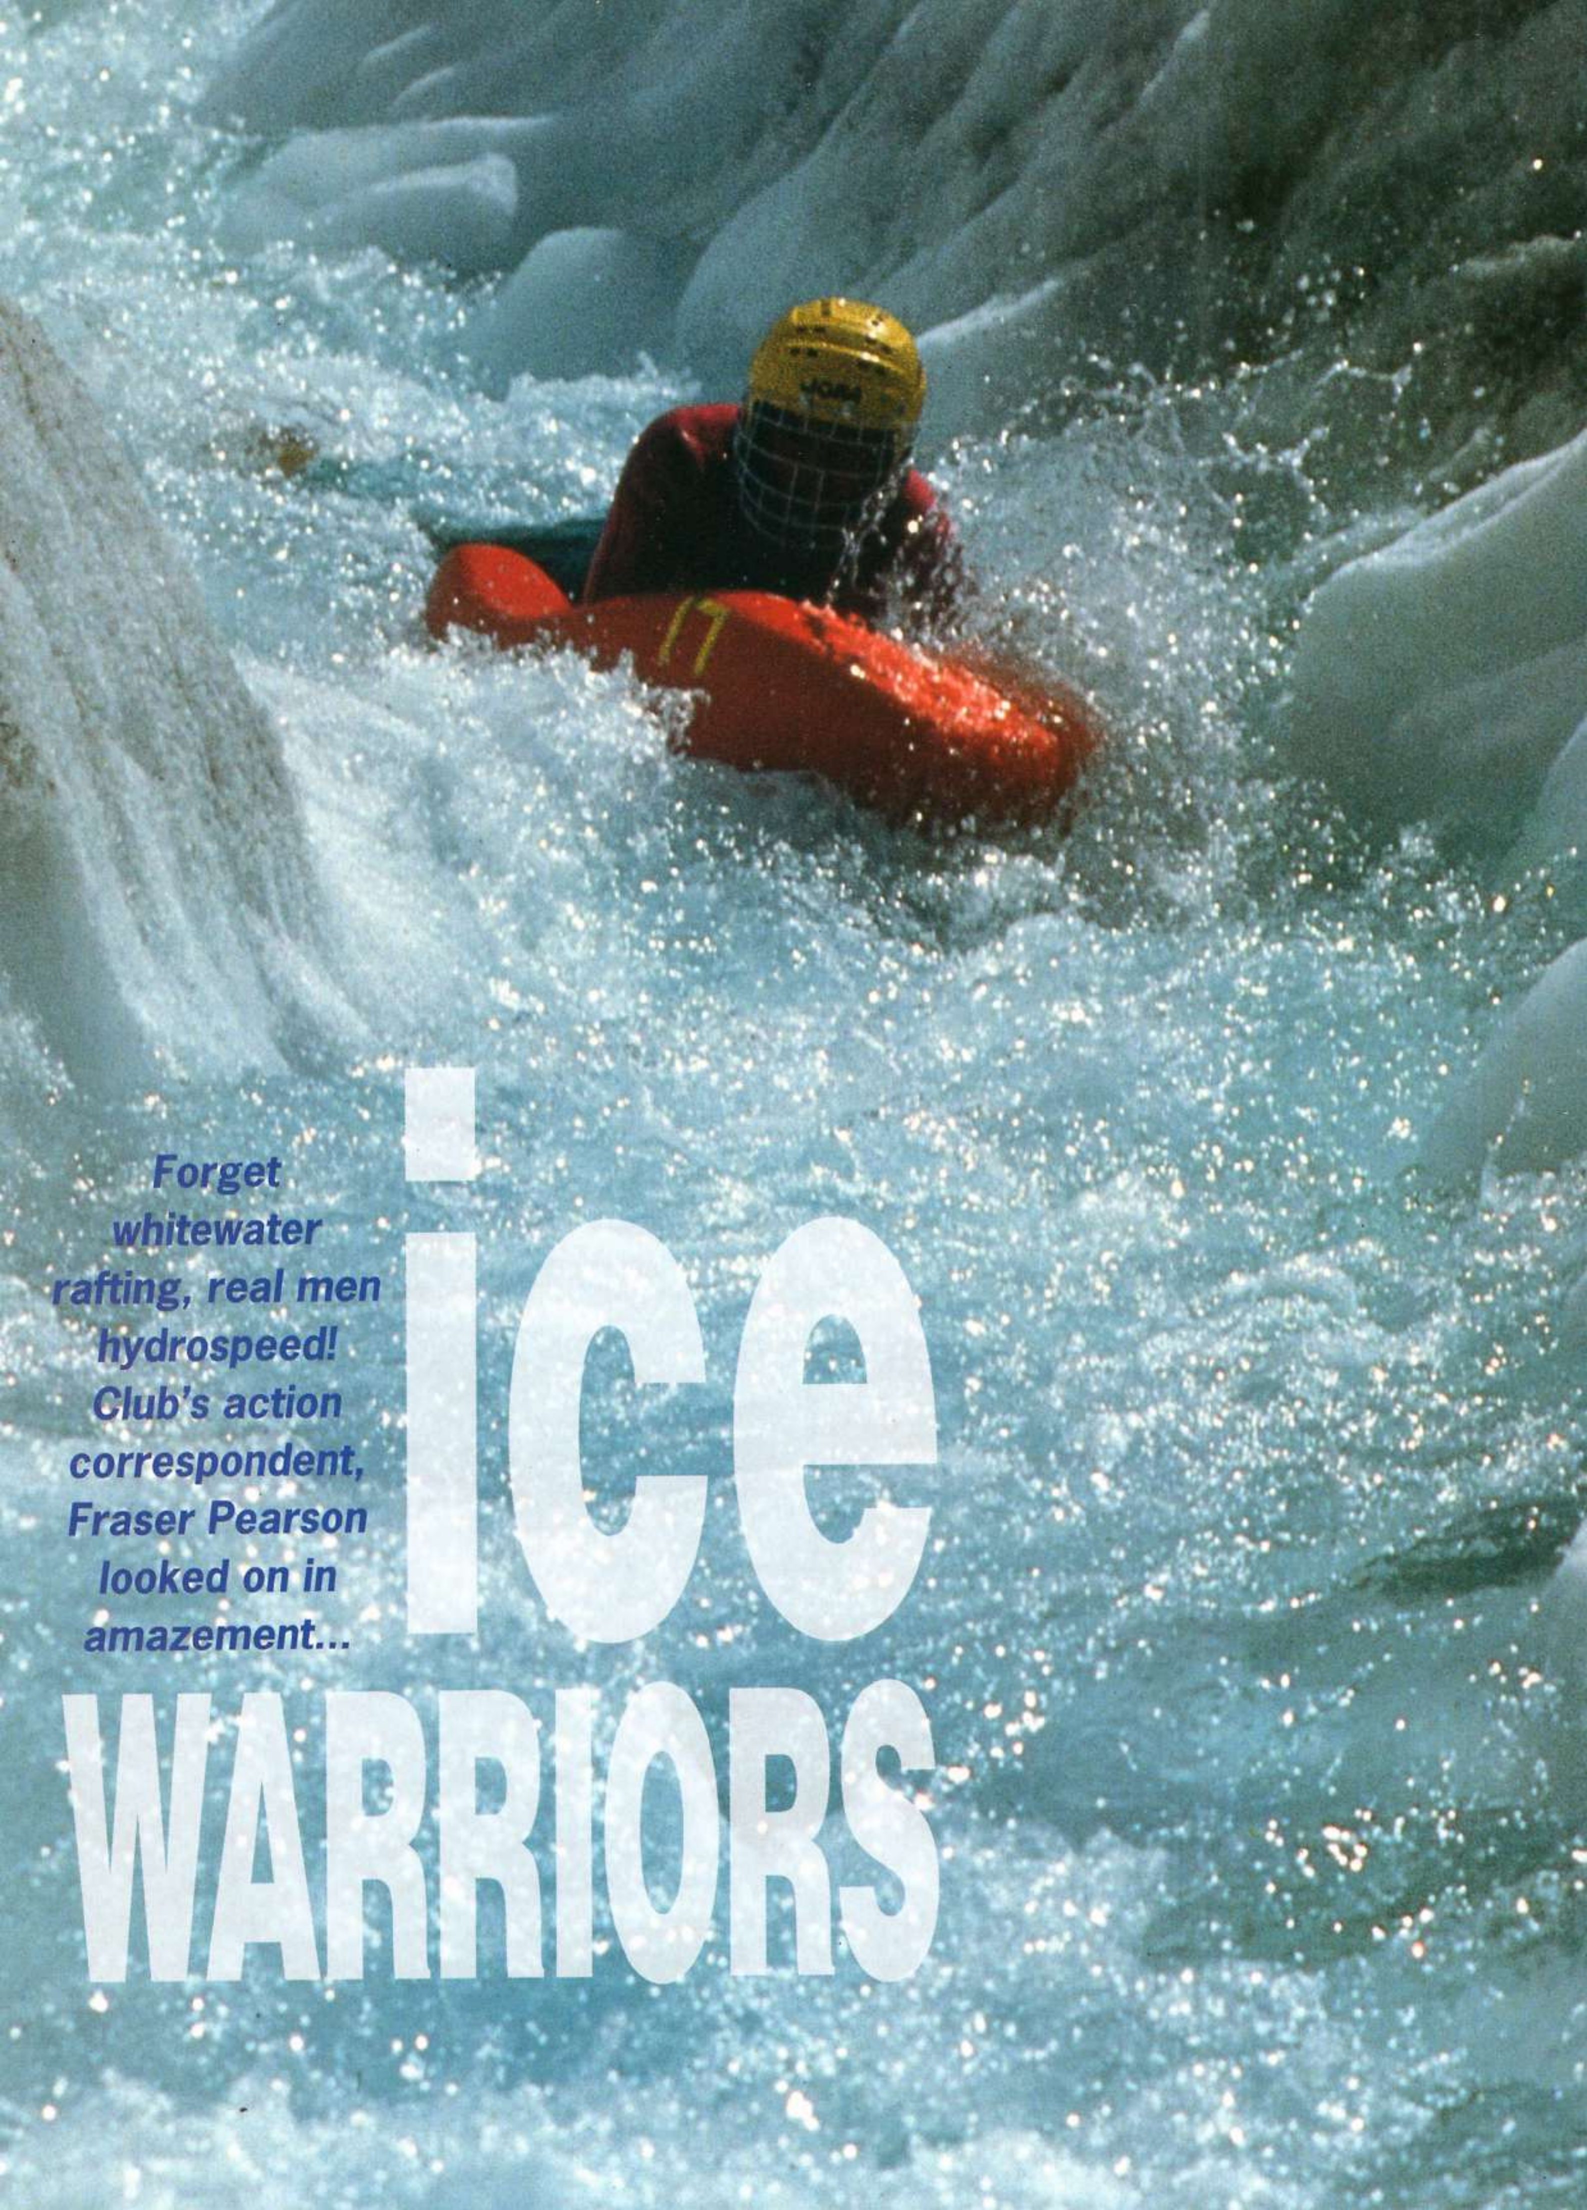
HEIDI

Heidi's never stripped in front of the camera before, but she has been naked just about everywhere else. "I was always one of the bad girls," giggled the 18-year-old when we chatted with her after the photoshoot. "I was the leader of a gang of girls at college, and whenever I said the magic word we all had to bare our boobs. My pair's been seen in Birmingham, Manchester, Leeds,

Coventry, and London. And as I was the leader, I had to go further than the others: I've even had my skirt up and my knickers down in Trafalgar Square! I'll do anything for a dare, you see." We do, but one thing still bothers us: what's the magic word? "Sex, of course! Well, it's magic, isn't it — at least it is if you're doing it with me!" ♣



ice WARRIORS

Forget whitewater rafting, real men hydrospeed! Club's action correspondent, Fraser Pearson looked on in amazement...

Ever been whitewater rafting? Well, this latest creation, called hydrospeeding, is kind of similar, except you do it down glacier rapids and freeze your balls off.

Our daredevil intrepid trio for this adventure are two Frenchmen Laurent, Philippe and Jean-Marc who walked seven hours to reach the location; a stretch of torrent on Chamonix's 'Mer de Glace' (Sea Of Ice).

The torrents rush down parts of the Ice Sea towards normal mountain torrents with rocks and soil. Apparently the advantage of hydrospeeding, as opposed to whitewater rafting, is that you have less chance of being killed because if your hydrospeeder goes haywire the snow can cushion your fall, unlike normal whitewater rafting where you smash against the rocks, therefore breaking almost every bone in your body.

Each hydrospeeder has to carry 30 kilos of equipment *(and they walked for seven hours carrying that?!)* — which includes ice-hockey crash helmets, green and pink fluorescent watertight suits, blue flippers and, of course, the hydrospeeding board.

The journey is four hundred meters long and because hydrospeed boards don't have brakes, there is a safety net at the bottom to stop them.

Apparently our lads reckon that the near-fluorescence of the ice and the crystal nature of the rapids make hydrospeeding a beautiful and emotional experience.

Sounds like fun, doesn't it!? No doubt our merry men thought the seven hour journey was well worth it because they repeated it again in Switzerland the next day.

So ponder on the piccies, save the pennies, find the perfect spot and you too could be a hydrospeeding nutter! ♣

......IT IS NOW!

*Once again, Club's sporting hack, **Maurice Short**, plunges his proboscis in the netherworlds of the weird and wonderful world of sport...*

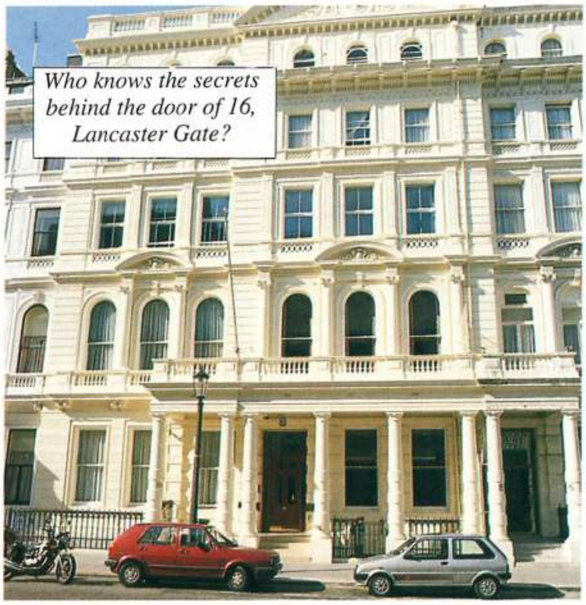
One of the many compensations of being a hard working hack here at Club is that I am able to trip around the globe on fact-finding missions. I was in Tokyo recently *(You told me that £2000 expenses claim was for an exclusive 'Gazza — "I'm a woman trapped in man's body"' interview — the Ed)* and after considerable probing I finally unearthed the truth about Sumo wrestler's testicles. Contrary to popular belief the blubber boys cannot retract their bollocks into their abdomens. The evil rumour was apparently started by Ian Fleming in a James Bond novel. The news will no doubt come as a blow to certain British men's tennis players who might have thought that having no balls at all would be a positive advantage if they ever decided to change spots.

On the way home I stopped off in Peking *(Presumably this is the £1500 for 'Brian Clough — "Maradona is my lovechild"' shock? — The Ed)*. Naturally I was delighted when a member of the hotel's massage parlour staff invited me to go with her to see cricket fighting. Expecting to see two men in white bashing the shit out of each other with lumps of willow, I was greatly disappointed to find myself watching two grasshoppers attempting to bite one another's head off. It was certainly the most ludicrous contest I have ever seen since my Auntie Hilda took me to see Kendo Nagasaki wrestling with Chief Masambula at Sunderland Town Hall.

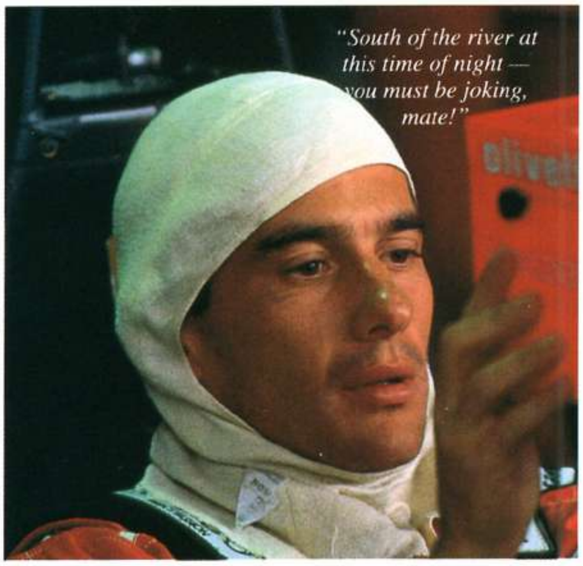
Returning home I found it was once again time for me to plunge my proboscis into the netherworld of soccer. And there can be few areas more dark and mysterious than the inner passages of 16 Lancaster Gate, home of the English Football Association. The F.A. recently unveiled its proposals for the future of football in this country. The aims of the blueprint can be swiftly summarised:

1) Bigger crowds.
2) More money.
3) England to win the World Cup.
4) Er... that's about it, really.

Noble though these ends may be, the F.A.'s proposed means of achieving them are about as solid as a Trevor Francis tackle. Like many people who have never watched a game of football from the terraces in their lives, the men-in-grey at Lancaster Gate see one great cure-for-all for soccer's ills — all seater stadia.



Who knows the secrets behind the door of 16, Lancaster Gate?



"South of the river at this time of night — you must be joking, mate!"

Above: Ayrton pops his cork!

According to the blueprint, a superleague of 18 teams playing in such grounds would soon have the public flocking back to football. Sadly the F.A. make no comment on the standard of this seating. Wembley is an all seater stadium and in vast areas of it the only person who could comfortably watch an entire match would be a pygmy with a telescopic neck.

The other word the F.A. like to trot out like some magic mantra is 'America'. Apparently there is a lot to be learnt from the grid iron in the USA. This is bullshit. Whilst it is true that NFL teams get large crowds, the fact is that if you divide the US population by the number of NFL teams and then apply the same ratio to England and Wales you end up with a football league consisting of five (count 'em, five) clubs. Americans pile into the Mile High stadium to see the Denver Broncos not because of the wonderful stadium; the chance to see Barry Manilow sing *The Star Spangled Banner*, or to ogle the cheerleaders as they waggle their tits to the sound of REO Speedwagon; but because if you want to see top-class sport in Colorado — an area larger than most European countries — there is simply nowhere else to fucking go!

The F.A., unaware of such things as passion and loyalty, also forget that fans go to football matches to see their team, not to sit in air conditioned luxury watching a group of sky-diving sea lions. Spurs fans would not watch Arsenal even if Highbury was a mink-lined jacuzzi and the Gunners offered a blow-job from the film star of your choice free with every single ticket.

Reading this document only one thing becomes crystal clear; the reason it is called *blue*print is because it is a load of old cock.

And now it's time for yet another Maurice Short expose. Whilst other motor racing journos have wondered about Ayrton Senna's sanity, or concluded that it is dedication which leads him to drive in such a reckless fashion, I can reveal that the true reason for the Brazilian maestro's blatant disregard for the safety of himself and other drivers is that he learnt his craft while working for a South London mini-cab firm. According to 'Shifty' Nick Knuckles of Bermondsey Radio Cars, Ayrton was the ideal recruit: "Yeah, Ayrton had all the qualities the firm's looking for. He's foreign; didn't speak a word of English; had absolutely no idea where anything in London was; drove like a rabid Rottweiler and would stop in his car for days on end."

My advice to Pod (as he was amusingly nicknamed by his co-workers) is to ditch the MacLaren-Honda, get himself a T-reg Nissan and burn round the track as if he's taking a late-night fare from Covent Garden to Camden Town (with the usual scheduled detour past Gatwick airport). That way I'm sure he'd quickly get back to his winning ways. And he'd be able to give me a lift home too. ♣

Lucy

Photographs by Penny Woods

It's second time around for lovely Lucy, our stunning covergirl and centrefold from Vol 20 No 7; and to be honest, life's been a bit dull around here without her perfect breasts, curvy bottom and stunning smile to behold.

"It makes me feel incredibly horny whenever I'm recognized in the street," purrs the flame-haired beauty, "especially knowing that the only time a fella's seen me before was

stark naked in Club!"

The response from readers has been pretty impressive too, we've had a constant stream of letters pleading for the return of the 19-year-old graphic designer from Coventry. "It's very flattering to know that a lot of men find me sexually attractive," giggles

Lucy bashfully, "I just wish that I could thank every single one of you in my own special way. I only hope I'll always be popular with you!"

We don't think there's any doubt about that, do you, guys? ♣

GRIPPING YARNS

Thunder In The Pyjamas

India is under threat from the tribesmen of the North frontier, the Wassochs of Ogdenstan. Every rainy season from their stronghold in the Pyjama Mountains, they hatched some mutinous plot to overthrow the British Empire, until it was known where the Union Jack fluttered that, "When there's thunder in the Pyjamas, then the Wassochs are sure to rise!"

December 1894, Commander's Residence, Bhowelpore

General Hapgood Pump-Daley stood on the verandah nibbling what remained of his wife's tiffin. Before him on the Maiden the officers of the Duke of Ruttingshire's Loyal Baluchis were honing their pig-sticking skills by encouraging the servants to scamper about on all-fours emitting high-pitched squealing noises, whilst they galloped after them, poking at their buttocks with pieces of sharpened bamboo. In the distance he could see the men of T'Earl of Bradford's Own Yorkshire Fusiliers *(The Blunt & Forthrights)*. They were busy painting the doors of the latrines, or, as they'd been christened by the good-humoured Tommies with typical subtle wit, 'The Fart Pavilions'. To the right the band of the Newa Sikhs were playing their regimental march "I'd like to teach the world to sing", and to the left he could make out the bright green mohican hairstyle of Mahatma Snot, the punkawallah. A delicious smell filled the General's nostrils, a sure sign that in the bakehouse Rudyard Kipling was making some of his exceedingly good cakes. The only thing that disturbed Pump-Daley's enjoyment of this splendid vista was the appearance of dark clouds over the distant Pyjamas.

Before he had time to brood on the coming storm his train of thought was interrupted by the arrival of his niece, Nurse Freya Bentos.

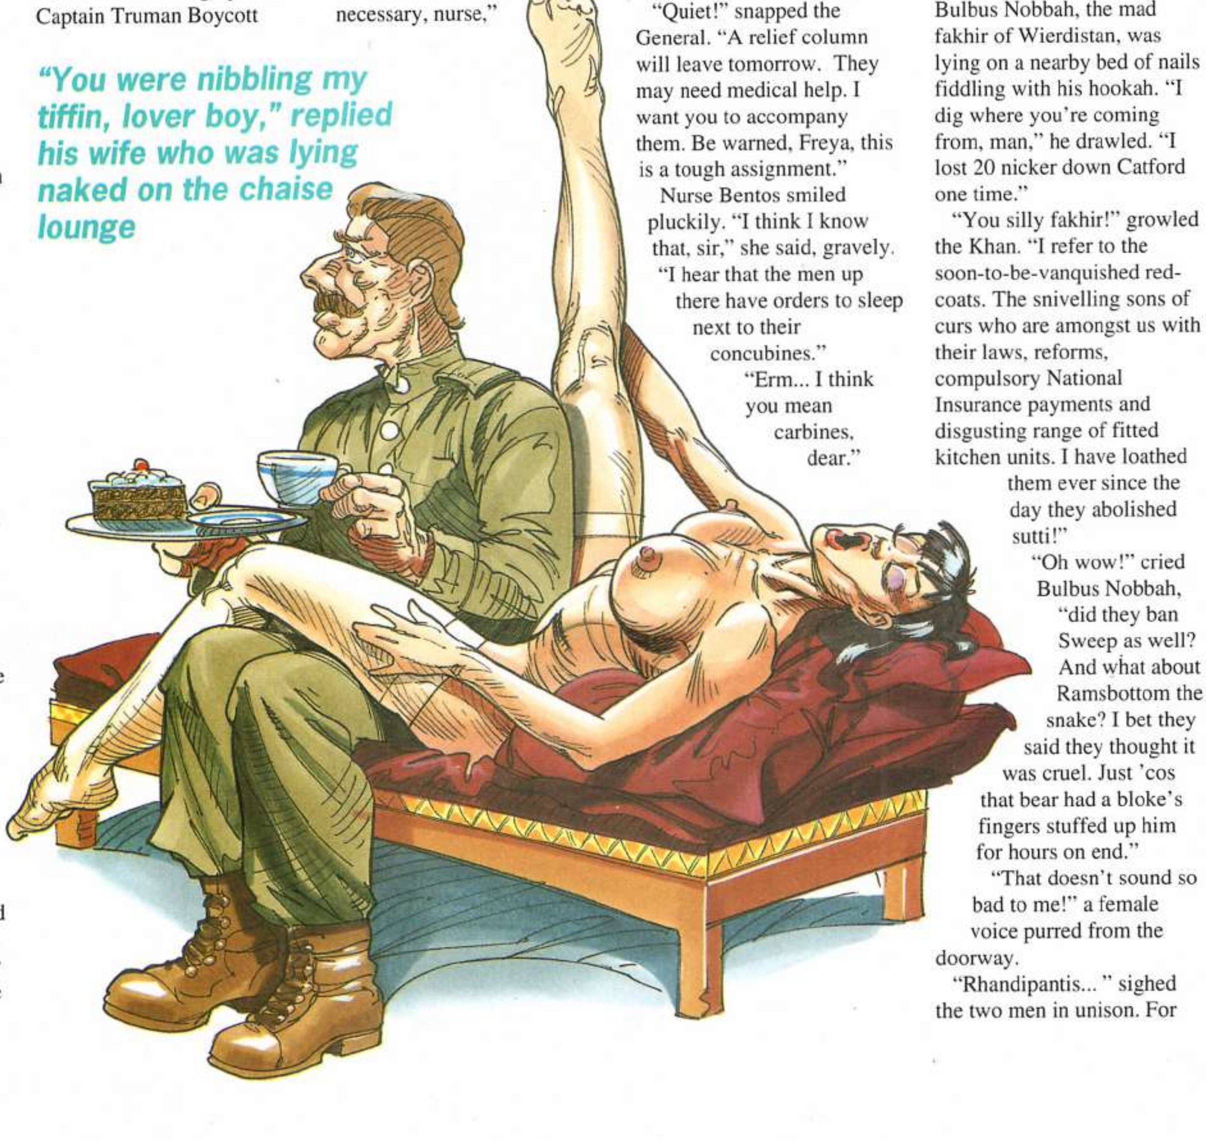
"Evening, Uncs!" she chirruped, saluting him in a manner that drew her apron tightly across her small, firm bosoms so that they resembled a pair of Cox's pippins wrapped in a hankie. "I see your chaps are having fun on the Maiden!"

"Maiden, Maiden!" snorted General Pump-Daley, but before he could reprove her further, the door to the verandah was flung open and Captain Truman Boycott strode onto it. "Eee, by gum," he bellowed. "Ecky thump and now forra bit of good old-fashioned Yorkshire plain-speaking, you great, fat Southern Jessie! Young Parkinson were bathing in t'river when a snake come up and bit 'is todger."

"Crikey!" cried Nurse Bentos. "I must go at once and suck out the poison."

"Er... I don't really think that will be necessary, nurse," blurted Pump-Daley.

"You were nibbling my tiffin, lover boy," replied his wife who was lying naked on the chaise lounge



"Then I must tear up my undergarments to make bandages!"

"No, no, no! There are plenty of bandages in the Infirmary," snapped her uncle. He turned to Captain Boycott. "Take Parkinson to the hospital and tell him the nurse will be along shortly."

Captain Boycott saluted smartly. "Yes, sir. You great namby-pamby girl's blouse. Goodnight, Nurse Cockney trollop."

After he had gone, Freya turned to her uncle. "Why is Captain Boycott so rude, Uncs?"

"He isn't rude," General Pump-Daley replied. "He's from Yorkshire. Now, nurse, I'm glad you're here. Over the next few weeks I'm afraid you're going to have your work cut out. Storm clouds are gathering over the Pyjamas and that means only one thing — the Wassochs will go on the rampage. I have a platoon of the DRLB billeted at our outpost at Rumpipumpi... "

"Your Baluchis will be cut off," shrilled Freya, grasping the situation immediately.

"Quiet!" snapped the General. "A relief column will leave tomorrow. They may need medical help. I want you to accompany them. Be warned, Freya, this is a tough assignment."

Nurse Bentos smiled pluckily. "I think I know that, sir," she said, gravely. "I hear that the men up there have orders to sleep next to their concubines."

"Erm... I think you mean carbines, dear."

"Silly me," giggled his niece. "Concubines are those big hedgehogs things. Well, if I'm to give the men relief tomorrow I'd better get a goodnights sleep. Cheerio, Uncs!" As she turned to go, General Pump-Daley called out: "Switch on the lights, nurse."

Freya complied with his request, but as she flicked the switch there was a loud explosion and the lights went out all over the cantonment. "Oops!" tittered Nurse Bentos. "I seem to have blown a fusiliers."

"What a silly prat," muttered Hapgood Pump-Daley. "Now where was I?"

"You were nibbling my tiffin, lover boy," replied his wife who was lying naked on the chaise lounge.

Meanwhile, in a luxurious palace overlooking Rumpipumpi Fort

The Khan of Lentilsoopi gazed down on the turrets of the imperial outpost. "Pathetic little bastions," he snarled. "How I despise those British dogs!"

The infamous holyman, Bulbus Nobbah, the mad fakhir of Wierdistan, was lying on a nearby bed of nails fiddling with his hookah. "I dig where you're coming from, man," he drawled. "I lost 20 nicker down Catford one time."

"You silly fakhir!" growled the Khan. "I refer to the soon-to-be-vanquished red-coats. The snivelling sons of curs who are amongst us with their laws, reforms, compulsory National Insurance payments and disgusting range of fitted kitchen units. I have loathed them ever since the day they abolished sutti!"

"Oh wow!" cried Bulbus Nobbah, "did they ban Sweep as well? And what about Ramsbottom the snake? I bet they said they thought it was cruel. Just 'cos that bear had a bloke's fingers stuffed up him for hours on end."

"That doesn't sound so bad to me!" a female voice purred from the doorway.

"Rhandipantis... " sighed the two men in unison. For

"Er, Princess, I have something I'd like to put to you." "I know," laughed Rhandipantis. "It's making your loincloth look like a half-built tent"

there she was, the most comely strumpet in all the Empire, Princess Rhandipantis, the Nooki of Twot. She shimmered into the room, her emerald eyes flashing like the hazard lights on a Cadillac Deville; her dusky breasts heaved beneath her red satin blouse — like twin Xmas puddings wrapped in insufficient festive paper. Through the thin white silk of her jodhpurs a dark triangle of pubic hair was as clearly visible as a slice of pecan pie in a tupper-ware box.

"Blubablubabluba," went the fakhir's hookah as he sucked heavily upon it.

"Ee... ah... ooh," slobbered the Khan of Lentilsoopi. "Er, Princess, I have something I'd like to put to you."

"I know," laughed Rhandipantis. "It's making your loincloth look like a half-built tent. But forget your offers, Khan. My days of promiscuity, of orgies in the cool raita pools of my palace, and dancing before potentates, topless but for a pair of orange-creme Quality Streets stuck over my nipples, are finished. For, ever since he left India, I have been saving myself for just one man!"

"Hey, baby. Is it me by any chance?" asked the fakhir.

The Princess let forth a peal of laughter. "Of course not, you fool!"

"Oh," said Bulbus Nobbah grumpily. "Only you know I have magic powers that transform my penis so it's the size of an elephant's trunk?"

"Yes," replied the Nooki. "And remember that last time you did so it kept picking pineapples down out of the trees and you cried like a toddler!"

"Well, it wasn't your bum it was stuffing them up," snapped the fakhir sulkily.

"Enough of your babble," growled the Khan. "Who is this man, Rhandipantis?"

The Nooki of Twots eyes glazed over as she thought of him, his buttocks bobbing rhythmically, his strapping thighs firmly gripping...

At that moment, in the Hoddle Pass

His buttocks bobbing rhythmically, his strapping thighs firmly gripping the sides of his mount, Dai Bonkingham galloped across the rocky floor of the valley at the head of the Rumpipumpi relief column. As his pony picked its way expertly forwards he found himself lost in thought. His mother, the lovely Welsh woman Blodwyn Cwmcrumpet, had arrived in India to take up the position of Governess with the Rajah of Twot. Soon she had found herself taking up several other positions with his brother, Dai's father, the Kharmasutra of Bonkin. For 21 happy years they had lived at Bonkin, then Dai's father had begun to listen to the teachings of a wild-eyed native of Warsaw who had lost his testicles in an unfortunate croquet accident. Eunuch Pole said the British should go home. Expelled from the palace he and his mother had returned to Wales. But now he was back. A lieutenant in the Taj Mahal Tandoori Horse, his mind set on only one thing — to find his cousin! He could picture her now, her buttocks bobbing rhythmically, her firm thighs tightly gripping the flanks of her mount, the young chap who used to milk the Rajah's elephants. "Rhandipantis," he murmured, "how long will it be?"

Further down the column...

Nurse Freya Bentos moved hither and thither amongst the men as they toiled up the Hoddle Pass, offering words of encouragement and comfort.

"Hello, soldier and what do you do?" she asked a burly gunnery sergeant.

"Mountain artillery, miss."

"Gosh! How exciting!"

The sergeant sniggered. "Aye well, there was one or two girls back in Aldershot who thought mountain artillery was good sport."

"Oh, I should say so!" quipped Freya merrily. "There's not a woman worth her salt who wouldn't like to get her hands on your little screw-gun, sergeant!"

The sergeant blushed. "I dare say they wouldn't care for it up here though, miss."

"Crikey, no," replied Nurse Bentos. "It's pretty chilling knowing that even as we speak, the dreaded Wassochs may be pointing their bazonkers at us."

"Bazookas, you silly prat," muttered the sergeant.

At that moment, in Fort Rumpipumpi

The fury of the Wassoch's dawn assault had overwhelmed the garrison. Captain Full-Strength and his men had fallen back gradually from the ramparts. Now a Havildar of the Baluchis brought the grave news: "Sahib, the Wassochs have captured the armoury. I believe they intend to blow up the magazine."

The young officer set his jaw firmly. "Well," he said, phlegmatically. "With crap articles like this one in it I can't say I blame them."

WOMEN'S WRITES

Where the girls get down to business

Erotic Encounter

Hi, my name's Caroline and I'm a sexy 22-year-old, with a curvy 36-24-36 figure and long brown hair. I recently started a new job as a media buyer in a large advertising agency. The job's pretty good, but what really attracted me were the men that worked there. You see, I've always had a thing about powerful men in suits, and I certainly had a wide choice of candidates in the office.

One guy in particular, James, caught my eye on the first day. He's a handsome man, about 30 years old with long dark hair, and what looked like a very well developed body underneath his suit. As soon as I walked into the office, he complimented me on my appearance. I was wearing a tight-fitting two-piece business suit with my long brown hair tied up in a bunch, and it didn't come as a surprise when he asked me to join him for a drink at the end of my first week there. Of course, I agreed straight away and we set a date for the following Saturday night.

I really wanted to impress James, so I splashed out on a very daring low cut red dress, with matching red stilettoes and with my long hair left flowing down around my shoulders. When I walked into the wine bar where we had arranged to meet, James' big brown eyes almost popped out of his head.

"Caroline, you look wonderful!" he gushed. "Can I get you a drink?"

"I'll have a glass of wine, please," I replied, and James ordered a bottle and we sat ourselves down at a table. As we talked, I couldn't help noticing the way his eyes kept on straying down to my cleavage; and I teased him even more by leaning forward towards him, giving him a good eyeful.

As the first bottle finished and we started on a second, then a third, I was beginning to feel a bit tipsy and I decided that the fun should really begin. I slowly slipped off a shoe, and then started rubbing my stockinged toes against the inside of James's thigh. You should have seen his face! He almost choked on his wine, and even managed to spill a mouthful down the front of his shirt. A waiter immediately rushed over with a cloth, but it was pretty badly stained and James was ushered into the toilets to try and clean it off.

I sat at the table for a couple of minutes, and then followed James in to see what was taking him so long. "I've never been in a gentleman's loo before," I said, as I walked in and found him with his shirt off and under the cold water tap.

"You shouldn't really in here," laughed James. I moved closer to him and then teasingly placed my hand over his crotch.

"Do you want me to leave?" I asked him. By the movement in his trousers, I knew that's what he *didn't* want me to do. Before James had the chance to speak, I quickly pulled him into an empty cubicle and locked the door. James sat down on the toilet, and I quickly leaned over and eased down his fly. His dick stood proudly to attention and I marvelled at his purple knob end and thick shaft. I pulled his trousers down to his ankles, bent down onto my knees in front of him and placed his rigid tool between my red lips.

James moaned loudly as I flicked my wet tongue all over his throbbing helmet. "Ahh," he groaned. "That's good, suck it, please." I certainly didn't need to be asked twice! I ran my tongue all around his bell end, savouring the salty taste, then slid my lips all the way down his shaft, taking as much of

his cock into my mouth as possible. My lips gripped his shaft tightly, as my tongue lapped at the underside of his balls, and James grabbed hold of my long hair as I started bobbing up and down on his length. James's breathing was getting faster now, and I speeded up the pace, cupping his balls in my hand and massaging them.

I knew James was near to coming, and it seemed a shame to waste his spunk. I gave his knob end a kiss, then stood up and hitched up my dress to reveal my shaven pussy. James gasped as he saw my sparse cunt, and he quickly pulled me closer and kissed my fleshy cunt lips. His hands moved around onto my hips and then he eased open my pussy lips and then started to dart his tongue inside my cunt. My knees almost buckled as I felt his tongue flicking against my button and I wanted to feel his cock inside me.

I quickly manouvered myself onto James's cock and slowly slid down onto him and gripped him with my pussy walls. As I started to bob up and down on his cock, James pulled me nearer and started to unbutton my blouse. I was only wearing a tiny half cup bra, and James released my boobs and began to gently suck on my nipples. His tongue circled each nipple in turn, then he pushed my boobs together and began to alternately suck each nipple into his mouth.

My whole body felt as if it was on fire now, as James playfully chewed on my nipples and impaled me on his length. I reached down between my legs and started to rub my clitty and James pushed into me even deeper. I heard him gasp then, and knew he was near to coming. I wanted to come at the same time as him, and I began to rub my clitty even harder. Just then James's body went limp and he bucked right off the toilet seat as he shot his hot spunk deep inside me.

Before he even had time to recover, I took his cock from my cunt and stepped out of my dress so that he could see me naked. James seemed mesmerized for a second, then he pulled me close to him and placed a nipple between his thumb and forefinger, while kissing me passionately. I could feel his tongue snaking all around the inside of my mouth, exploring it all.

"Mmm, that feels good," I moaned. "Can you use your tongue on my cunt like that?" James smiled, and we swopped over positions with me on the toilet seat, while James knelt on the floor. I opened my legs wide, and he placed his tongue on my slit and began to run his tongue along it. I shuddered as James placed his tongue on my clitty and licked and sucked it with such a force that I orgasmed instantly. James knew exactly what he was doing as he explored my cunt, making me moan loudly with pleasure. I reached down and started rubbing my tits, and as I started shaking like a leaf, my body shook violently and I orgasmed, my pussy walls gripping James's tongue tightly.

We both sat there exhausted for a minute, and then I got up, put on my dress and James pulled on his trousers. I glanced at my watch and realised that we'd been away for half an hour. We both straightened up and then made our way back to our seats. We finished our drinks as fast as we could, and headed back to my place and we fucked the night away. It was great to make love in a real bed instead of a cubicle, I can tell you!

James has recently been promoted at work, and now has his own office, so we often have our very own 'meetings', where he can take me over his desk! We've even discussed him moving into my place, so that he can fuck me whenever the urge takes him, no matter what time of day! — *Caroline, Chislehurst*

Hot! Hot! Hot!

My boyfriend and I have a very open relationship and it is him that has encouraged me to write and tell you what happened to me while I was at the Notting Hill carnival in London recently.

I live outside of London, and James, my boyfriend, was away for the weekend. I didn't have anything planned, so when a few of my friends asked me to come into town for the carnival, I readily agreed. That Sunday was a really hot summer's day, so I was wearing a very skimpy outfit of grey lycra hotpants and matching top with my blonde hair pushed back in a hairband.

The people I was with were two couples I'd known since school, and although we were all friends, I felt a bit of a gooseberry. Anyway, after a few drinks we were all really getting into the carnival atmosphere and were dancing to a sound system that was pumping out house music in the street. I must admit I was starting to feel quite horny being crushed up in the writhing mass of sweaty bodies, and I'm sure it showed in my dancing! As I was jumping around, I felt someone in the crush put their hands around my waist in a very sexual way. I turned around indignantly, ready to admonish them, but was stunned into silence by the fact that it wasn't a guy, but a beautiful black girl. We were crushed even closer together now, and I could feel her breasts pressing against mine. She was wearing an even skimpier outfit than I had on, which consisted of a tiny pair of cut-off Levi's and a tight,

black sequined top.

I'd never been with another girl before, although I sometimes fantasized when masturbating, but the feelings I was experiencing were pure lust! As we danced together, I was finding it increasingly difficult to hide how turned on I was. The girl must have sensed this, because she suddenly took my hand and pulled me through the crowd. I was so excited that I just followed and we turned a corner, then she lead me into a house and we went upstairs to the bedroom. We hadn't even spoke then, but she closed the door and we kissed, her tongue snaking around the inside of my mouth. We fell onto the bed and then she was on top of me. I had no thought of resisting, her hands were all over me and within seconds she had undressed me.

Here I was, lying naked in front of a complete stranger, my nipples so erect that they were sore and my legs wide open, shamelessly showing my wet, swollen pussy. My lover was now standing, her body was gorgeous, very firm and lean but with large breasts. She quickly stripped down as I watched intently. Her nipples were jet black and long, and I longed to have them in my mouth. She slowly peeled off her shorts, exposing her very hairy pussy, which was in contrast to my sparse, trimmed pubes.

Then she was on top of me on all fours, frantically licking at my boobs and sending me into ecstasy. As her tongue traced a line down my stomach, I was getting frantic with anticipation.

I felt my love lips being parted, then a cool tongue entered me and I came immediately, screaming loudly as wave after wave of pleasure engulfed me. I gazed down to see her neck muscles straining as she drove her tongue deep inside me, while at the same time rubbing my cunt with her thumb. I lost count of the number of times that I orgasmed.

I lay back in her arms, exhausted, and we talked for the first time. She told me that her name was Sasha, she was 21-years-old (a year younger than me), and that she was studying at drama school. After I'd got my breath back, I was still feeling incredibly horny and I felt it was time to give Sasha some pleasure. I couldn't believe I was behaving so wantonly, but I couldn't help myself. I moved my body into a 69 position over her and gasped as Sasha's legs opened and I saw her gaping cunt for the first time. It looked beautiful and I could smell the aroma of her juices. I was so overcome with lust that I frantically lapped at her pussy like a crazed animal, sucking hard on her clitty and forcing my tongue into her. In what seemed like no time at all, her body spasmed and her cunt walls gripped my tongue as an orgasm ripped through her.

We lay there for about an hour or so making love, before I realised my friends would be worried about me. Sasha and I kissed tenderly and exchanged phone numbers. She called me yesterday and I'm going to stay with her this weekend — I can't wait! I told my boyfriend all about it, and it turned him on so much, that we had the best sex we've ever had. — *Helen, Reading*

Holiday Blues

playing away from home

Amorous Adventurer

Hi guys! Emma here. A couple of months ago I told you all about the sexy adventures my friend Justine and I had when we went on holiday to Spain. There was a lot of horny pussy-licking and fucking going on in the sun with us around!

Well, so many of you wrote in asking to hear more about our naughty holiday that the Editor has asked me to tell you a bit more about it. And believe me, reliving the most exciting moments of that sex-drenched week is a real pleasure!

Anyway, I've decided to tell you something that happened one day while we were at the villa. Not even Justine knows about it, although I'm sure she'll be fingering her pussy like crazy when she reads this!

It was one perfect afternoon when I was lying by the pool, alone. Justine was still asleep, as we'd had a pretty wild night, and Desmond, our host, was shopping in the village. I was quite content lying there soaking up the sun and working on my tan.

It wasn't long before my thoughts strayed to the night before. Justine and I had taken turns sucking Desmond off, until he'd showered both of us in a thick stream of spunk. Then we'd greedily licked it off each other, getting in a very exciting and satisfying 69.

As I relived the sensation of Justine's tongue lapping at my hot, wet pussy, I started to feel the tell-tale tingling along my clitty that means I'm getting horny again! Little shivers of lust travelled down my thighs and up my belly from the spreading heat that covered my crotch. I could feel myself getting so wet as I imagined Justine's dripping tongue darting in and out of my love hole that I was sure my juice must be soaking right through my bikini bottoms. And naturally, I couldn't resist touching myself to find out!

Slowly I ran my hands down over my bra-less boobs, circling my nipples until they stood up hard. Then they slid down, brushing my pussy mound and stroking my thighs firmly. When I couldn't wait any longer, I ran one hand between my legs. Sure enough, the crotch of my bikini panties was sticky with my own sweet juice.

Slowly, savouring every moment, I pulled the crotch aside so I could feel the light breeze blow across my bare, wet pussy lips. Then I slid my finger between them, plunging it into the wetness. My thumb pressed on my clitty as first two, then three eager fingers slid in and out of my cunt, teasing my inner walls.

It didn't take much of that delicious sensation before I was gasping and moaning, feeling the tension build up as I approached a fantastic climax. Just as the first waves of my orgasm washed over me, a shadow fell across me. I opened my eyes to see a gorgeous blonde girl standing over me, her gaze fixed on my hands as they pumped furiously at my pussy.

I was a bit taken aback, but as you already know, I'm not the kind of girl to embarrass easily. In any case, there was no way I could hold back the climax engulfing me, so I just lay back and enjoyed it, looking at the pretty blonde stranger the whole time.

By the time I'd recovered, the blonde was blushing, but she didn't make a move to leave. Instead, she sat down beside me and said, "Hi, I'm Abbey. Sorry to disturb you!"

"That's okay," I replied. "I hope I didn't embarrass you too much." She just smiled at that, and we started chatting. I couldn't just lie there with my bikini pulled to one side like that, so I decided the best thing to do was take it off altogether. That way, she could have a great view of my curly bush and my little pink pussy lips, coated in juice — and if I wasn't mistaken, she was getting rather turned on by the sight!

After a while, when we'd started to get to know each other, the conversation turned to sex — as it usually does with me! I told Abbey that Justine and I were staying here with Desmond, and once I was certain from the way her nipples were poking up hard against her bikini top that she was getting turned on, I told her all about the previous night's threesome.

Abbey smiled and licked her lips as I described in vivid detail how Justine and I had sucked Desmond's rigid cock. But I really got her attention when I started to tell her about our sexy 69. She leaned towards me, her cheeks flushed and her lips parted as I told her how it felt to have Justine lick me.

"I'd like to try that for myself," she murmured. "I've never done it with another girl before."

Well, that sounded like a definite invitation to me! Pulling her close, I kissed her softly on the lips. She pressed closer, and I slid my hand over her boob, cupping and squeezing it gently through her bikini top. She moaned as I brushed her nipple, so I undid her top and let it fall to the ground, then began to lick and suck her tits.

"Oh, Emma!" she gasped, and I saw her hand move between her legs to caress her pussy. Now, one thing that really turns me on is to watch another girl finger herself, so I pulled off her little bikini panties so I'd have a better view. At once her fingers centred on her clitty, which I could see was swollen with excitement.

All at once I knew I had to taste this gorgeous girl's pussy. I knelt between her legs and replaced her hand with my own. She was so wet my fingers were instantly covered in her juice, as they slid smoothly inside her. I teased her love hole until she was trembling all over, but I didn't want her to come yet. I was determined to give her an afternoon she'd remember for the rest of her life.

I slipped my fingers out of Abbey's pussy and held them up so I could lick off her juice. It tasted so sweet and tangy it made me even more hungry for what was to follow. I spread her legs wider, bent my head and gave her an experimental lick. From the way she gasped, I knew I'd hit the right spot straight away!

Then I began to give Abbey a lick-out I knew she'd never forget. First I lapped at her clitty, and when she was so turned on her juice was dampening the tops of her thighs, I pushed my tongue right into her sweet cunt. I could feel her taut pussy walls tensing and relaxing with each firm stroke of my tongue, and I carefully built up the pressure until when she did finally come it was like a dam bursting.

It took a few minutes for her to recover, and then she kissed me and said, "Mmm, I can taste my own pussy juice on your lips, Emma. But now I want to taste you. After all, you did promise me a 69."

Well, I didn't need any persuading to let this sexy girl lick me. In fact, my pussy was tingling so much I'd been waiting for her to ask! In seconds she was on her hands and knees over me, her lovely pink pussy inches from my face as she began to lick me for the first time. The sensation of her cool tongue flicking over my hot cunt was exquisite, and as I got more and more excited it made me crave her taste all over again. Before long we were in a frenzied 69, eating each other as if we'd both been starved for months. And we'd both come a couple more times before we were interrupted by Desmond's return.

Naturally I thought my shy friend would run off when Des appeared, but she just grinned at him and said, "Hi, you must be Desmond. Emma's just been teaching me a few new moves."

"So I see," he smiled. "I'm not surprised she couldn't resist a pretty thing like you."

Abbey blushed a bit when

he said that. The sweet contradictions in her personality really attracted me. She'd blush at a compliment like that, yet she didn't mind him catching her with her legs spread and my tongue buried in her cunt!

"You two look like you could do with cooling off a bit," Desmond laughed. "How about a swim?" We both liked the idea, and in a couple of minutes he was naked too and the three of us were splashing about in the pool. Now, I could tell from the gleam in his eye that Des would love to fuck Abbey, but he wasn't sure how to approach her. And, as I already knew she wasn't as innocent as she seemed, I made sure the two of them would get together!

Swimming up behind Desmond, I slid my hands around his waist and grabbed his cock. It sprung up hard, and after I'd wanked him for a few moments I could feel from its throbbing that he was all ready to give Abbey the shafting of her life. So I got behind her and pushed her towards Des, at the same time groping her boobs and pussy from behind. She was really wet, and I knew it wasn't just from the water!

I whispered in her ear, "Des really wants to fuck you, Abbey. Do you want him to?" She nodded, and without another word she pulled him towards the edge of the pool and he lifted her up and sank her down onto his rigid dick.

I was all ready to disappear as the horny pair began to hump like animals, but Abbey said, "Emma! I want you to watch him fuck my pussy — and then I want to watch him fuck you too!"

My quiet little friend had definitely taken charge... and knowing me, you won't be at all surprised to learn that she got exactly what she wanted. When Des had fucked her, we all got out of the pool, and she lay down with her legs spread so I could lick all of his spunk out of her pussy while he took me from behind. Feeling him fill me up with his load as I licked Abbey out gave me one of my most amazing orgasms ever!

We could have carried on all night, but then Abbey dropped the bombshell. "Sorry folks, but I've got to go. I've got a plane to catch!" she announced. Des and I must have both looked dismayed, but then she admitted that she'd been watching me for days, just waiting to catch me alone. It was only knowing that this was her last day in Spain that had given her enough courage to approach me — and she was glad she had!

Of course we swapped addresses, and we're planning to meet up in London in a couple of weeks. Maybe I'll write and tell you lot all about it too!

COUPLES CONFESS

Share and share alike!

Prize Guys

My best friend Sally and I are a right randy pair; there's nothing we like better than going down to the local pubs and clubs in our area and eyeing up the local guys — hopefully before pulling a couple of them and taking them back to my flat for a prolonged session of rampant screwing. Pretty often we end up having a swapping session to keep things nice and spicy, or if things aren't going too well we'll strip each other off and warm things up by kissing and fondling each other, slipping our slim fingers into each other's pussy and bringing each other off until the guys get keen enough and want to join in too.

There's one particular nightclub which we have always found to be a really good hunting ground for new talent, and what happened there a couple of months back just has to be shared with your readers. I know that a lot of women as well as men read and enjoy and masturbate over Club, and I particularly think that any couples reading now might be really turned on by what I'm going to tell you about.

Whenever we go out to this nightclub, Sally and I always dress to get noticed, and this evening was no exception. As we got out of our taxi, the doormen at the club must have had a really good view of my bare pussy — my little red mini-skirt was too skimpy to wear anything at all underneath it, and my sexy white bra top and high heels completed the picture of a girl out looking for a good time. Sally was wearing a top that consisted mostly of straps of black lace and left very little to the imagination, and the tightest pair of black leggings that had ever been invented. Of course, we were both wearing high heeled shoes, and as we entered the club just about every male gaze was on us, and quite a few envious ones from the girls too.

We know the DJ, Andy, pretty well and as usual he played lots of sexy dance numbers so that we could show off on the dancefloor and flirt with any blokes who happened to be about. We always get bought loads of drinks too, and that night the Bacardi's were really rolling in when Andy came over after we'd been there a couple of hours.

"We've got something a bit special on tonight," he said. "We're running a Mr Wet Boxer Shorts contest, so I want you both to be judges — I'm sure the idea of studying a load of crotches will suit you both!"

We both shrieked with laughter — he wasn't kidding! He told us to go around the dancefloor and pick out ten guys who looked as if they might be up for it, and naturally we made sure that we picked the ten tastiest guys we could find. There wasn't time to get a really good look at them though — that would come later.

We could hardly wait while he went up onstage and announced to everyone what

was going to happen. Immediately there was a rush towards the stage of eager girls wanting to get a good close look at what was going to be on display and blokes wanting to have a laugh at their mates who we'd chosen. A couple of records later we were all hauled up onto the stage while the ten hunky male contestants were lined up in front of us, clad in nothing but their underwear. What a delicious sight!

There was a deafening roar as we paraded up and down in front of the stage, making sure we showed off our legs and boobs to all the guys in the front row, and I certainly made sure that they all saw that I wasn't wearing any knickers. The wolf whistles were deafening and I could feel myself getting all moist and excited, and I knew Sally would be feeling exactly the same. I was almost tempted to put my hand between my thighs and start groping for my swollen little bud to give myself some relief, but just then all the spotlights were switched on and Andy came on armed with a hose and announced that the fun was about to begin.

Sally and I had to spray all the crotches and see how they looked when they were soaked through. And I can tell you I was almost creaming myself at the thought. Ten bulging, wet, sticky-looking groins were just inches away from my grasp and it was all I could do to stop myself jumping the nearest bloke and grabbing his cock for a good sucking.

There was one bloke in the line-up who I'd seen in the club a few times and had always fancied. I knew that his name was Hunter (yes, that was his first name!) and that he worked for a local builder. He was wearing a really tight white T-shirt and skimpy little boxer shorts and his body was tanned a lovely deep shade of brown.

When I was going down the line I made sure he and I made eye contact for far longer than was necessary for my 'judging' of the size and firmness of the various packets on display. Sally's face was a picture of lust. I knew that in the hospitality room afterwards that we were going to have some dirty fun.

"Who's the winner then?" Andy asked over the mike as Sally and I made up our minds. We couldn't decide on one between us, so I picked Hunter and she picked a guy called Terry, and they were declared joint winners.

"And they're just off to the hospitality room to get their prizes now, ladies and gents!" Andy announced to a great roar from everyone as the disco started up again. Meanwhile, we'd been hustled to the backstage area and were being plied with drinks and urged to "get to know one another" by the disco's manager.

It didn't take me long before I'd said, "I think you ought to get out of those wet things, Hunter" and passed him one of the towels. Then I looked round and was shocked to see Sally in a heated embrace with Terry!

I always knew she was a fast worker but this had to be a record for her. Terry's muscular chest was pressed right up against her boobs and his shorts were around his ankles, so that I could see his knob sticking up between them, the purple helmet pushing itself up towards Sally's big boobs. His hands were inside her top and she was already touching herself between her legs, her fingers rubbing the crotch of her leggings right into her slit. The way she was straining against Terry, she must have been creaming herself with lust.

I grinned at Hunter. "Feeling randy?" I asked him. I knew the answer already — I could see his huge stalk poking right out of his sodden boxer shorts. Obviously the sight of the other two getting heavy had really got him going, or perhaps it was just me?

Reaching over, I pulled down those shorts and revealed his gorgeous cock in all its straining, stiff glory. It was a beauty and it felt even better once it was in my mouth and I was giving it a hard and fast sucking, working my tongue over its veins and feeling the knob hitting first the back of my throat and then the outline of my lips as I practised my well tried and favourite sucking motion on it. It was soon covered with my pink lipstick and saliva — then soon my face and hair were coated in thick, creamy come. The hot spurts just kept hitting me, and I put out my tongue and licked up as much as I could, closing my eyes with delight.

Almost inevitably, I heard my friend's voice close to my ear. "I don't think we should waste any of that come, do you?" she said to me, and then I felt her soft tongue licking my face, taking off the coating of cream. I could hear her moaning as she quickly gulped it down, and from the movement of her body as she pressed herself against me, her hand was inside her panties and frigging herself furiously.

"Frig my pussy!" she told me, and I pulled down her leggings and pushed my hand into her warm, wet folds. Immediately she writhed against me and I rubbed the tips of my fingers onto her hard clitty until I felt her come twice, moaning about how good it was. We were kissing hard now, our mouths open so that the guys could clearly see our tongues meeting and watch the show we were putting on for them.

I decided that, as they were standing rapt as they took in the dirty sight, we should really give them something to think about. Standing up and leaving Sally on her knees, I pulled my mini-skirt up around my waist and pushed my cunt onto Sally's face.

"Suck it," I told my friend. When her tongue slid inside

me I came right away and carried on grinding my pussy into her face, feeling her tongue hitting my clitty again and again as I rocked my hips. It was bliss — but more than anything I wanted to feel Hunter's thick stalk inside me, and I knew that Sally would be expecting a good shagging from Terry at the same time.

We both took a little while to recover from our orgasms, and as I crouched on the floor Hunter started licking my gleaming pussy softly, just keeping me on the boil and getting a good feel of my wet cunt at the same time. Terry obviously followed his lead, and did the same to Sally as she flopped onto her knees, her head hanging down.

"I want my pussy fucked right now," I told Hunter. The next thing I knew, he'd flipped me over onto all fours, and was pulling my bum cheeks apart so that he could rub his straining cock, still sticky from my mouth and his last come, all over my smooth little buttocks before pushing it right up my pussy hole as he slwoly prised my wet cunt lips apart.

It felt really fantastic to have him thrusting in and out of me, and his thrusts were so powerful that I felt myself almost lifted off the floor with his driving power. I silently bet myself that his nickname must be Hunter The Shunter, he had such a powerful fucking action!

My orgasms shuddered through me thick and fast then, making me buck my hips up and down harder onto his pubes as I felt myself going out of control. Hunter was grunting with the strain of keeping up the rhythm and holding back his spunk until the very last minute. But he couldn't last any longer and I soon felt a hot spurt into my cunt as he unloaded himself.

I was knackered after that, and all I could do for a minute was recover my breath and look over to where Sally was getting well and truly shafted by Terry, his smallish but immensely thick tool really probing her hard and making her really shout with delight as she came, spraying her sweet juices all over his pubes. He had her legs round his shoulders as he pushed in and out, in and out, and I don't think that I've ever seen Sally looking quite so abandoned as she let Terry pump her with his cock.

They both came together and then collapsed in a heap on the floor, both completely exhausted by their energetic fucking. I just couldn't resist crawling over and tasting a bit of Brian's spunk too. Hunter's eyes almost popped out of his head when he saw me do that!

What a night — and let's just say I can hardly wait until the Mr Wet Boxer Shorts contest comes round again next year! — *Julie, Staffordshire* ♣

APPOINTMENT FOR SEX

Josie is a real life nymphomaniac who is so depraved she has to keep an Appointment Book. When she is overbooked, the system really breaks down as she is screwed by one and all. Includes multiple sex action, oral orgasms and two-handed ejaculation.

Three sexy young couples agreed to visit our sex shops, take a selection of their choice and let us film them in use:- Julie & Jim choose love eggs, love cream and some porno mags. Peter & Mary choose a 10" dildo and some very sexy underwear. Kay & Allan — choose 'his & hers' blow-up dolls. Watch the results — it's really worth watching.

The beautiful lady at Woodhurst Castle invites everyone to a mystery party. After dinner the excitement begins as the guests go off in small groups. 2 girls and one guy, screwing and sucking. One lovely dominates two strapping males and we do mean strapping. Then two girls in lesbian lust, which leads to a four girl and 3 guy orgy.

BON APPETIT

The French Maid spills wine down the hostess and she's not wearing a bra or panties. The dress soaked through exposes her big breasts. Seeing this she asks the maid to help her off with her dress to reveal all. The husband is first to move when he pushes his hand up the maid's legs straight into her hot, open pussy.

What you get is four full length horny hot & hard Video Films Originally priced ~~£49.95~~ or more each. YES — 4 FULL LENGTH FILMS AT UNDER £2 EACH.

GUILTY ON 7 COUNTS

ESV INTERNATIONAL CORPORATION
627 FOREST RD, LONDON E17 4NE

Hello My Friends

Yes, that's right, I am Guilty on all seven counts of giving **value for money** to my customers. Now I have moved into the UK from Denmark and have brought huge stocks of explicit sex videos with me. Don't confuse these explicit hard-sex action videos with the usual British rip-off rubbish. Let me assure you that these videos contain only genuine explicit hard-sex action which can no way be mistaken for your English videos. Because of old fashioned Britain's Censorship Laws and my explicit titles, I prefer you to order each video by its code number. I am sure you will be happier with full action content rather than an impressive title! So my friends (and we will remain friends when you see my quality and explicit action films) just make your choice and buy with confidence. Please check the bulk offers, as I can give a huge discount on two or more videos — the more you buy, the cheaper I can sell to you. Hoping we have much business in the future.

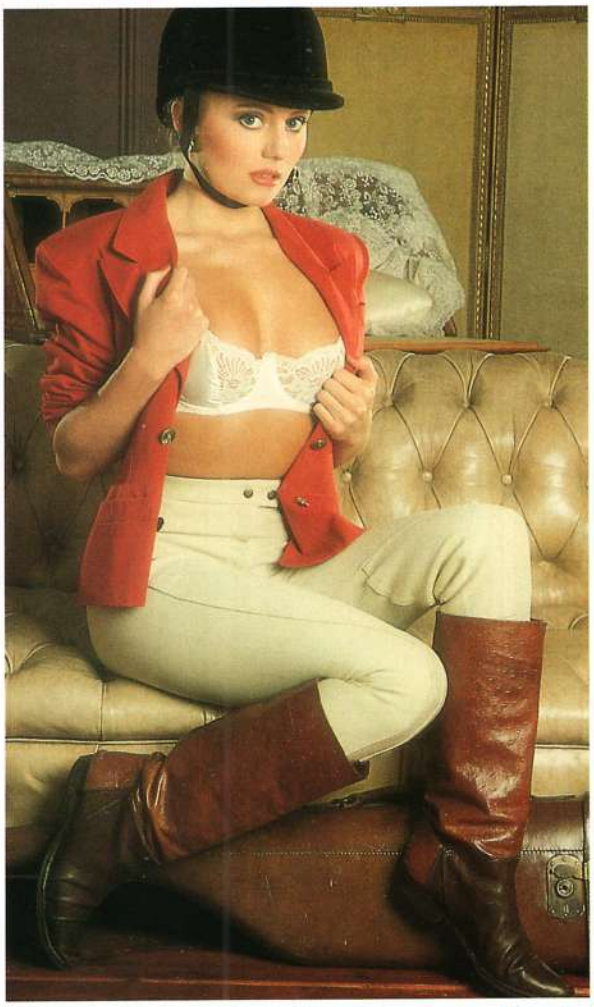
laura



With her tight riding breeches, hard hat and leather boots, you could be forgiven for thinking that lovely Laura had just come straight from the horse trials at Olympia. However, appearances can be wholly deceptive...

"I've never been near a horse in my life," giggles

the 19-year-old secretary from Cambridge. "I've had some great rides on the back of real stallions in my time... but they certainly haven't been horses!

"No, the real reason is that I just can't resist getting dressed up in kinky gear like this," purrs Laura. "I tell you, whoever designed this riding gear certainly knew

what they were doing... I feel incredibly sexy in these tight riding breeches and I reckon they show off my bum really well, don't you?"

We do, we do, Laura! In fact, they're just the thing for a little bit of horseplay, don't you think, guys? ♣

COMING IN club

Look into my eyes...

... you are feeling sexy, very very sexy. When I count to three you will have a hard-on. 1... 2... 3... snap! Concentrate, you are now feeling horny, very very horny. In fact, there's only one thing that's big enough to satisfy you... the lip-smackingly good December issue of Club. It comes complete with a giant, full colour, pull-out 1992 calendar — absolutely free! And if that isn't enough it's got me, Cindy, in the centre pages, naked. All that, along with some terribly funny bits and even more naked nymphos eager to please. Club — it'll put you in a trance...

IN·THE·BAG

of her, my cock still inside her. Then she slowly closed her legs so that they were between mine, and squeezed them tight.

The sensation of her pussy walls wrapping snugly around my cock felt so good that I wanted to shoot right away, but Carole had other ideas. You see, in this position it was really easy for me to slip my hand underneath her and start rubbing her little button as I fucked her. And if there's one thing that drives her crazy, it's that!

I think Carole must have orgasmed about three or four times before I shot my load inside her and it's definitely our favourite position now... although we still have time for plenty of others! *— Martin, Peterborough*

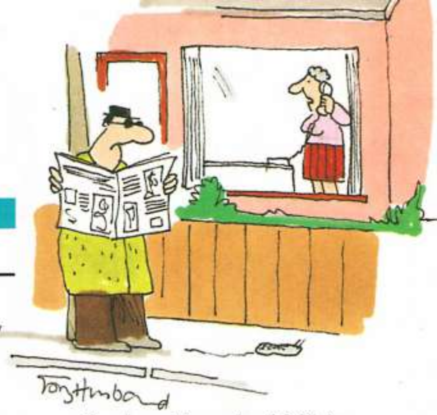
Fancy Un-Dress!

My husband, Michael and I have both been keen readers of Club for some time. Quite simply it's the best magazine there is. The dirty letters and confessions and, of course, the girls make it a great read. Since we've enjoyed reading about the sexual experiences of others, I thought it was time to tell you about one of our own.

For about a year now, my husband and I have been really turned on by the idea of me having it off with other men whilst he watches. Strange as it may sound, to be bonked silly while your husband watches is incredibly thrilling.

The last two occasions have been very satisfying. One was a bloke from Michael's workplace, Nick, who possessed the biggest cock I've ever seen. At eleven inches long, it was like being impaled on a rolling pin! The other occasion involved an 18 year virgin called Ian, whom I 'instructed'. I certainly taught him a few things!

Recently, however, my husband suggested the idea of me having sex with another woman. To be honest with you, I always thought that cocks were the be all and end all, so I didn't really take to the idea. Nothing was said again about it, until last weekend!



Can he call you back? He's following a slug

One of my friends is an attractive lady of 30 called Angela. She got in touch to invite me to a fancy dress party. We both agreed to go as 'tarts' and managed to make some pretty good costumes. It was the usual thing — stockings, suspenders, skimpy dresses and high heels. We tried on the outfits at Angela's place. We both stripped off in Angela's bedroom and I don't know why, but dressing and undressing like that made me feel really horny. I felt very embarrassed as my nipples hardened to points, and I tried to do my best so that Angela didn't catch on, but it was no use.

"Christ," purred Angela, "this is making me feel horny!" I laughed at her comment and then I caught Angela gazing at the moist patch that was forming on my panties. We looked at each other for a few seconds and then fell into each other's arms. We kissed and I felt Angela's tongue snaking around inside my mouth. As she did this I frantically pawed at the silk underwear she had on. We kissed, cuddled and felt each other's tits and fanny and stroked each other's bottom.

We ended up on her bed and masturbated ourselves to orgasm by rubbing our cunts up and down on each other's thigh. There we were, still in our uniforms but minus panties, with the bed creaking like crazy.

In the end we both came like rockets. My orgasm was so intense, it was positively frightening.

When I told my husband all about it, he went at me like hammer and tongs, as we shagged in the kitchen, bathroom and the bedroom. He is now trying to persuade me to fix up a threesome with Angela. If it happens, I'll let you know! *— Pippa, Oxford* ♣

SON OF BAD JOKE

This month's joke comes courtesy of Max from Cardiff. We'd like to take this opportunity to point out to our readers that Max is a Welshman, hence the quality of his amusing little dittie...

Two men were out at the pub, when one asked, "I heard you and your wife split up. What happened?"

"Hey," he answered, "would you put up with someone having wild parties, coming home all hours of the night and shagging complete strangers?"

"No way," he replied. "I certainly would not."

"Neither would she; so I divorced her." ♣
